

On this Feast of Sts. Peter and Paul (New and Trad c.67), the little children of the Divine Will remember and celebrate the Apostolic Princes of the Church and the ordination of Pope Benedict XVI. This day in 1951 Joseph Aloysius Ratzinger was ordained into the holy priesthood of Christ. He shares the **namesake** “Aloysius” with the Servant of God Luisa Piccarreta, Aloysia as on her baptismal certificate.

In today’s Breviary, June 29, 2020, St. Peter says to Our Lord Jesus, “*You are Christ, the Son of the Living God.*” And Jesus, “*Blessed are you, Simon Bar-Jona. For flesh and blood has not revealed this to you, but the Father has Revealed it.*” Why? From a homily of St. Jerome, ‘What flesh and blood could not reveal was revealed by the Grace of the Holy Spirit. By his profession also he earns a right to his **name**; receiving a Revelation from the Holy Spirit, he should be called *son of the Holy Spirit*, and indeed Bar-Jona means “*Son of the Dove.*”

In this time of Sanctification, the Holy Spirit is bringing awareness to the little children, through the little daughter of the Divine Will, of the Wonders God is doing.

Volume 17 - May 4, 1925 – *The Most Essential Thing to know about the Holy Divine Will*

Jesus said to Luisa - "What if I told you, Luisa, that you did not write everything? Rather, you have left out *the Most Essential thing*. So, continue to write, and add: ‘The Mission of My Will shall Conceal the Most Holy Trinity upon earth. Just as in Heaven there are the Father, the Son and the Holy Spirit, Inseparable but Distinct among Themselves, Who Form all the Beatitude of Heaven, in the Same Way, on earth there will be three Persons who, because of their Missions, will be Distinct and Inseparable among themselves: the Virgin Mary, with Her Maternity which Conceals the Paternity of the Celestial Father and Encloses His Power in order to Fulfill Her Mission of Mother of the Eternal Word and Co-Redemptrix of mankind; My Humanity, for the Mission of Redeemer, which was Enclosed in the Divinity of the Word, without ever separating from the Father and from the Holy Spirit, in order to Manifest My Celestial Wisdom, adding the Bond of becoming Inseparable from My Mama; and *you Luisa, for the Mission of My Will, as the Holy Spirit will Display His Love in you Luisa, Manifesting to you His Secrets, the Prodigies of My Will, the Goods It Contains, in order to make happy those who will give themselves to knowing how much Good this Supreme Will Contains, to Love It and to let It Reign in their midst, offering their souls to let It Dwell within their hearts, that It may be able to Form Its Life in them. And the Bond of Inseparability will be added, between you Luisa, the Mother and the Eternal Word.*

... being Light, The Divine Will shall make Its Way by Itself, More than a Second Sun, in order to Illuminate the human generations and to Bring about the Fulfillment of Our Works: that Our Will be Known and Loved, and that It Reign as Life within the creatures.

Therefore, be attentive, because this is about Rescuing that Eternal Will which, with So Much Love, Wants to Dwell in the creatures. But It wants to be Known, It does not want to be like a stranger; rather, It Wants to give out Its Goods and become Life of each one, but It Wants Its Rights Whole - Its Place of Honor. It wants the human will to be banished – the only enemy for It, and for man.

The Mission of My Will was the Purpose of the Creation of man. My Divinity did not Depart from Heaven, from Its Throne; My Will, instead, not only Departed, but Descended into all Created things and Formed Its Life in them. However, while all things Recognized Me, and I Dwell in them with Majesty and Decorum, man alone drove Me away. But I, Jesus Want to Conquer him and Win him; and this is why My Mission is not finished. So I Called you, Luisa, Entrusting to you My Own Mission, that you, Luisa, may place the one (man – the Holy Father will be the first) who drove Me away, on the Lap of My Will, and everything may Return to Me, in My Will.

Therefore, do not be surprised at the Great and Marvelous things I may tell you for the Sake of This Mission, or at the Many Graces I may Give you; because this is not about making a Saint, but about Saving the generations.

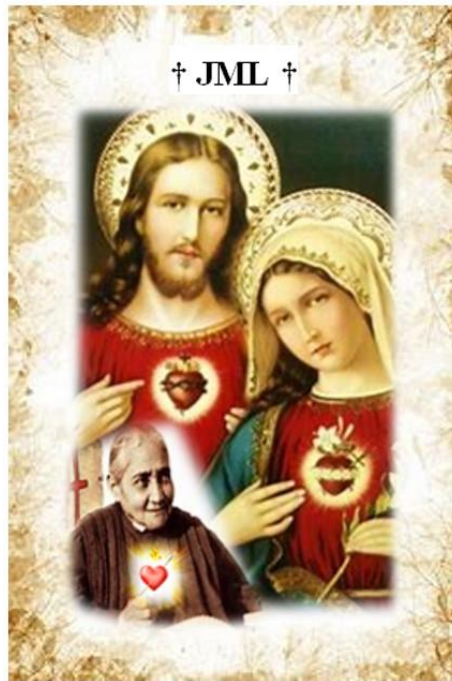

This is about Rescuing a Divine Will, for which everything Must Return to the Beginning, to the Origin from which everything came, so that the Purpose of My Will may have Its Complete Fulfillment.”

“As the Source of our New Life in Christ, the Holy Spirit is also, in a Very Real Way, the Soul of the Church, the Love that Binds us to the Lord and to one another, and the Light that Opens our eyes to see all around us the Wonders of God's Grace.” Pope Benedict XVI

Fiat!

The Wonders our God has Done for mankind in these recent days

Come, little children of the Divine Will, as we witness the Wonders Our God has done for us in recent days, and be renewed in Light, Courage and Peace, as we move forward towards the New Birth of those who Must Live in the Holy Divine Will.

A New Day began for us on October 14, 2019, as we celebrated with faithful ceremonies at the Springs of Our Lady of America in Rome City, Indiana. Recall that Our Lady Appeared at Fatima, granting the Miracle of the sun on October 13, 1917. This alerted Her children through Pope Leo XIII'S vision 33 years earlier, of the start of the 100 years of satan's powerful attempts to destroy the Church, after all saw the miracle of the sun, plus the Church declared another year with the year of Mercy. With this, the little children of little mama Luisa, confidently recognized the New Day free of the rule of the evil one, as October 14, 2019 (as in Scripture, the New Day begins with the vigil).

V16 – 11.10.23 – *I felt as though I was being transported outside of myself, into a Most Pure Light, in which one could see all generations, as though divided into Two Wings – one on the right and the other on the left of the Throne of God. At the Head of One Wing there was the August Queen Mama, from Whom Descended all the Goods of Redemption. O, how beautiful was Her littleness! Marvelous, Prodigious littleness: little and Powerful, little and Great, little and Queen; little, with everyone hanging upon Her littleness, while She Disposes of everything, Rules over all, and only*

*because She is little, She Enfolds the Word within Her littleness, making Him Descend from Heaven to earth, to let Him Die for Love of men. **At the Head of the other Wing one could see another little one, and – I say it trembling and to obey - she was the One Whom Jesus had Called His little daughter of the Divine Will.** And my Sweet Jesus, Placing Himself in the Middle of these Two Wings, between the Two little ones Who were at the Head of them, with one Hand took mine, and with the Other that of the Queen Mama, and He Joined them Together, saying: “My little daughters, Hold each other’s hand before Our Throne, and Embrace the Eternal Divine Majesty in your little arms. To you Alone, because you are little, is it Given to Embrace the Eternal One, the Infinite One, and to Enter into Him. And if the First little one Snatched Redemption from the Love of the Eternal One, So may the Second, her hand Held by the First, be Helped by Her to Snatch from the Eternal Love the Fiat Voluntas Tua on earth as it in Heaven.”*

Then came March 4, 2020, the 73rd celebration of the anniversary of Luisa La Santa’s entrance into Heaven. Forty days later came the remembrance of Our Lady of Revelation, also 73 years ago, having appeared to Bruno Cornacchiola at Tre Fontane in Rome, where She said:

*“Pray much that the persecution and pain will be lessened. I repeat, be strong **in the Rock**, with pure love Do penance, in obedience to **the true guardian of the Heavenly Court on Earth the Pope**, to transform the sin of the flesh, from sin into holiness... Call Me Mother, do it always: **I am Mother. This Mystery will be revealed before the final conclusion in time****The Eternal Rock chosen by God** over the centuries to be the refuge of the saints, living in his throne of love, will be greatly struck.....In the end many will be converted due to the many prayers thus, because of the **return to love by all and by Powerful Divine Manifestations.**”*

That same day of honouring of Our Lady of Revelation was also Easter Sunday this year. The Easter Triduum is the summit of the Liturgical Year. Only this year, the Church and the world were in lockdown. The children of God were denied presence at the Holy Sacrifice of the Mass as well as access to all the Sacraments. By the Infinite Love of Our Lord and Our Lady, through the powerful intercession of the little daughter of the Divine Will, of our Holy Guardian Angels and all the Angels and Saints, the faithful persevered. By God’s Grace, we pressed forward with reading the Gospel of the Kingdom, the Testament of Love, that is the Book of Heaven. We daily prayed Our Lady’s Holy Rosary, the Rounds in the Divine Will, and the Divine Mercy Novena. We honored Divine Mercy Sunday from our homes, with Spiritual Communions from Our Eucharistic Lord. With this, we thanked Our Beloved Lord on Divine Mercy Sunday, April 19, 2020, the very anniversary of Pope Benedict XVI’s papal election. Not only this, but celebrated that day, the anniversary of the 1994 release of the volumes of Luisa from (then) Cardinal Ratzinger’s Office at the Secret Archives of the Vatican. The release of the writings of Luisa on February 2, 1996 on the Feast of the Presentation can certainly be recognized as Our Lord ready to Open of the Doors of the Kingdom to all the world.

V16 – 2.10.24 - *“You cannot understand all the Good, the Light, the Strength contained in each Word; but your Jesus Knows it, and Knows the ones whom it Must Serve and the Good it Must Do.” Now, as He was saying this, He Showed me a table in the middle of the Church, and all the Writings about the Divine Will placed upon it. Many venerable people surrounded that table and became Transformed into Light and Divinized; and as they walked, they Communicated that Light to whomever they encountered. Then Jesus added: “You will see this Great Good from Heaven, when the Church will receive this Celestial Food, which will Strengthen Her and make Her Rise Again in Her Full Triumph.”*

Then, in another few days, we celebrated the 155th birthday of Luisa, April 23 (7 days apart from the birthday of Pope Benedict XVI on April 16th – both unified in these events as well as in sharing the namesake – St. Aloysius). How is it Our Lord Inspired the naming of these two blessed souls? He Himself said of this Saint:

V2 – 6.20.99 - *“Look at how beautiful Aloysius is; but what was greatest in him, which distinguished him on earth, was the love with which he operated. Everything was love in him - love occupied his interior, love surrounded him externally; so, one can say that even his breath*

was love. This is why it is said of him that he never suffered distraction – because love inundated him everywhere, and with this love he will be inundated Eternally, as you see.”

As the lockdown from the Churches and Sacraments continued, the little children honored Our Lady of Fatima on June 13, 2020 with united prayers in the Holy Divine Will, for the fulfillment of Our Lord’s Prophecy to the Servant of God Luisa Piccarreta, on January 5, 1901:

V4 - 1.5.01 - *"My Daughter, how much men offend Me - but the time will come when I will Chastise them in Such a Way that many little worms will come out, which will produce clouds of mosquitoes that will render them greatly oppressed. Then, afterwards, the Pope will come out." And I: ‘And why will the Pope come out?’ And He: "He will come out to console the peoples, because, oppressed, tired, crushed, betrayed by so many lies, they themselves will look for the Harbor of Truth, and all humiliated, they will ask the Holy Father to come into their midst to free them from so many evils and place them in the Harbor of Safety."*

2000 years ago Our Lady Prayed for the New Adam, Jesus, The Messiah to come, Our Lord Jesus Christ came upon earth for the Redemption and now Luisa Prayed for the Holy Father to come out to bring about the Sanctification of the Third Fiat.

Acts 12: 5-8 - *“Peter therefore was kept in prison. But prayer was made without ceasing by the Church unto God for him. And when Herod would have brought him forth, the same night Peter was sleeping between two soldiers, bound with two chains: and the keepers before the door kept the prison. And behold an Angel of the Lord stood by him: and a Light shined in the room: and he striking Peter on the side, raised him up, saying: ‘Arise quickly.’ And the chains fell off from his hands.”*

We were not alone; voices of courage also arose:

+ **Carlo Maria Viganò, June 9, 2020 -** *“And if up until Benedict XVI we could still imagine that the coup d’état of Vatican II (which Cardinal Suenens called “the 1789 of the Church”) had experienced a slowdown, in these last few years even the most ingenuous among us have understood that silence for fear of causing a schism, the effort to repair papal documents in a Catholic sense in order to remedy their intended ambiguity, the appeals and dubia made to Francis that remained eloquently unanswered, are all a confirmation of the situation of the most serious apostasy to which the highest levels of the Hierarchy are exposed, while the Christian people and the clergy feel hopelessly abandoned and that they are regarded by the bishops almost with annoyance.”*

+ **Carlo Maria Viganò, Titular Archbishop of Ulpiana, Former Apostolic Nuncio to the United States of America, June 7, 2020 -** Letter to President Donald Trump – Eternal struggle between good and evil playing out right now - *“There are faithful Shepherds who care for the flock of Christ, but there are also mercenary infidels who seek to scatter the flock and hand the sheep over to be devoured by ravenous wolves. It is not surprising that these mercenaries are allies of the children of darkness and hate the children of light: just as there is a deep state, there is also a deep church that betrays its duties and forswears its proper commitments before God. Thus the Invisible Enemy, whom good rulers fight against in public affairs, is also fought against by good shepherds in the ecclesiastical sphere. It is a spiritual battle, which I spoke about in my recent Appeal which was published on May 8...Mr. President, my prayer is constantly turned to the beloved American nation, where I had the privilege and honor of being sent by Pope Benedict XVI as Apostolic Nuncio. In this dramatic and decisive hour for all of humanity, I am praying for you and also for all those who are at your side in the government of the United States. I trust that the American people are united with me and you in prayer to Almighty God. United against the Invisible Enemy of all humanity, I bless you and the First Lady, the beloved American nation, and all men and women of good will.”*

Full of love and trust in Our Lord and Our Lady, one with our little mama Luisa, the little children then offered private processions in our homes on the Traditional Feast of Corpus Christi. With images of the Sacred Heart of Jesus and the Immaculate Heart of Mary we privately processed Our Lord and Our Lady, asking that They dwell within, on this day in which Holy Mother Church had done so for nearly 800 years.

Our Lord hears our prayers, that He Inspires, and the little children truly united with little mama Luisa, move the Hearts of Jesus and Mary to hasten the Coming of the Kingdom.

V19 – 9.15.26 - *“My daughter, what Light, what Power, what Glory the Act of the creature acquires done in My Will! These Acts are more than sun. While the sun remains up high, its light eclipses the stars and fills the whole earth, bringing its kiss to all things, its heat, its beneficial effects; and the light’s nature is to diffuse, nor does it do any more work by giving the goods it naturally possesses to those who want them. The Acts done in My Will are Symbolized by the sun: as the Act is formed, My Will Administers to it the Light to form the sun, which Rises up High, because the sun’s nature is to be up high, not down below, otherwise it would not be able to do the good it does. In fact, the things that are down below are always circumscribed, individual, limited in time and space; they are not, nor can they produce Universal Goods. So, this Sun formed by My Will and by the Act of the creature, in Rising up High even to the Throne of its God, forms the True Eclipse: it Eclipses Heaven, the Saints, the Angels; it is as if the length of its Rays would take control of the earth; its Beneficial Light brings Glory, Joy, Happiness to Heaven, and the Light of the Truths to the earth; it Dispels the darkness, the pain caused by sin, the dis-illusion of passing things. The sun is one, but its light contains all colors and all effects to give life to the earth. In the same Way, the Act is One – One is the Sun of My Will formed in it, but Its Goods and Effects are Innumerable. Therefore, the Kingdom of the Supreme Fiat will be a Kingdom of Light, a Kingdom of Glory and of Triumph. The night of sin will not enter into It, but it will be always Full Day; Its Refulgent Rays will be So Penetrating as to Triumph from the abyss in which poor humanity has fallen.”*

Then arrived what can be termed the Divine Will Triduum – a commencement of a New Beginning for all the world to see:

Friday, June 19, 2020 - Feast of the Sacred Heart of Jesus

Saturday, June 20, 2020 – Feast of the Immaculate Heart of Mary

Sunday, June 21, 2020 – Feast of the namesake of Luisa and Pope Benedict XVI – St. Aloysius

(Luisa - Baptismal name Aloysia - Piccarreta and Joseph Aloysius Ratzinger)

V15 – 1.24.23 - *“So, Our One Will, Acting Within Us, is all Our Good, from which so many Seas of Happiness are Released, that no one can penetrate down to the bottom. Now, seeing the Great Good of Acting alone in Three distinct Persons [Most Holy Trinity], Our Will wants to Act alone in three distinct persons on earth; and these are: the Mother, the Son, the Spouse. From them It wants to Release more Seas of Happiness which will bring Immense Goods to all the pilgrim souls.”*

All amazed, I said: ‘My Love, who will be this fortunate Mother, this Son and this Spouse, which will Veil the Trinity on earth, and in whom your Will shall be One?’ And Jesus: “What? Have you not understood? Two of them are already at their Place of Honor: My Divine Mama and I, Eternal Word, Son of the Celestial Father, and Son of the Celestial Mother since, by Incarnating Myself in Her Womb, I became Her own Son. The Spouse is the little daughter of My Will. I AM in the Center, My Mama is at My Right, and the Spouse at My Left. As My Will Acts in Me, It Echoes to the Right and to the Left, and Forms One Single Will. This is why I have Poured So Many Graces in you, I Opened the Doors of My Will, I Revealed to you the Secrets, the Prodigies

which My Will Contains: to Open Many Ways, So that you might be Reached by The Echo of My Will, and, losing your own, you might Live with My Will Alone. Aren't you Happy?"

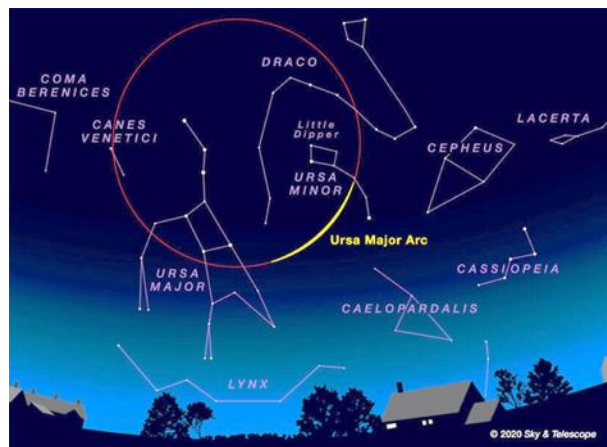

Like the Magi and the few shepherds that follow the star to Bethlehem and pay homage to the Messiah, Our Lord Jesus Christ; today the little children of the Divine Will have followed the "stars" of Our Lord and Our Lady, through little Luisa.

The Virgin Mary in the Kingdom – meditation 4 - *"...in the history of the centuries, how many times is this Sorrow of Mine and this human ingratitude not repeated! My Son and I do nothing but make Stars Arise, one More Beautiful than the other, to Call some to know their Creator, some to sanctity, some to rise again from sin, some to the heroism of a sacrifice. But do you want to know what these Stars are? A sorrowful encounter is a Star; a Truth that one comes to know is a Star; a love unrequited by other creatures is a Star; a setback, a pain, a disillusion, an unexpected fortune, are as many Stars that shed Light in the minds of creatures. And Caressing them, they want to make them find the Celestial Infant, Who Fidgets with Love, and Shivering with cold, wants a Refuge in their hearts to make Himself Known and Loved."*

In repeating "Fiat!", with our eyes and hearts full of Love, listening to the Voice of Our Divine Savior, as we read the Book of Heaven, the little ones begin to recognize what Our Lord has done in these quiet, yet marvelous events of today. Our Lord answers our prayers in the "Fiat," and in this moment, by what seems the Fulfillment of the Prophecy of the Pope coming out. On the recent Feast of the Sacred Heart of Jesus, our Holy Father, Pope Benedict XVI, comes out of the Vatican for the first time in 7 years. His only other departure was immediately after the 2013 renunciation, when he flew to Castle Gandolfo for rest, only to be escorted back to the Vatican that same day.

While Our Holy Mother the Church is yet to mediate these events, nonetheless, such have taken place, even in spite of the many offenses and errors, especially that of closing churches worldwide, unfortunately even denying some souls the Sacraments, almost seeming to deem them as unessential.

Nothing is coincidence. Many believe we are at a time of great change. The widely purported Mayan calendar read by the Julian calendar, supposedly aimed at December 21, 2012 to be the end of the era. Yet today, following the Gregorian calendar the end of the era is June 21, 2020. It is interesting because this day (Feast of St. Aloysius) is not only Summer Solstice, but day of a Super Rare Planetary Alignment, being called a "Great solar event," similar to the great star appearance when Our Lord Jesus was Born. Our Lord is in Charge and has Great Plans! Indeed, even unto establishing events in the sky countless years beforehand. Another recent scientific discovery just announced that also on the Feast of St. Aloysius, an "arc" (the Major URSA Arc) spans a third of the northern sky, with the constellation "**Cephus**" pointing near it. Can this be seen as a "new arc" with Peter pointing the Way?

"Rock" – Cephas was the name given to the Apostle Peter by Our Lord Jesus Christ

Matthew 16:18 - *"And I say to thee: That thou art Peter; and upon this rock I will Build My Church, and the gates of hell shall not prevail against it."*

Additionally, certain astronomers announced the discovery of a "Newborn Magnetar" as a result of an explosion around the time of the American Revolution. Think of Luisa - "newborn" - in the sky appearing at this time of a new beginning?

V17 – 5.4.25 - *"...do not be surprised at the Great and Marvelous things I may tell you for the Sake of This Mission, or at the Many Graces I may Give you, Luisa; because this is not about making a Saint, but about Saving the human generations. This is about Rescuing a Divine Will, for which everything Must Return to the Beginning, to the Origin from which everything came, so that the Purpose of My Most Holy Divine Will may have Its Complete Fulfillment."*

This Divine Will Triduum shows again the interconnection between Luisa and the Holy Father. It may not necessarily be this Pope who opens the doors to the Kingdom, but Our Lord is showing the reflection of the Holy Trinity on earth.

V17 – 5.4.25 - *"I Jesus Want to Conquer mankind and Win him back; and this is why My Mission is not finished. So I, Jesus, Called you Luisa, Entrusting to you My Own Mission, that you, Luisa, may place Adam who chose his human will, rejecting the Divine Will, that drove Me away, back on the Lap of My Divine Will, and everything then may Return back to Me, in My Most Holy Divine Will."*

Therefore, what Luisa tells us in the Three Appeals makes perfect sense:

Luisa's Appeal - *"And in the first place, I, Luisa appeal to the Highest Hierarch, to the Roman Pontiff, to His Holiness, to the Representative of the Holy Church, and therefore the Representative of the Kingdom of the Divine Will. At his holy feet, this little, tiny child places this Kingdom, so that the Holy Father Dominate It and make It Known, and with the Holy Father's Paternal and Authoritative Voice, call his sons (his priests) to live in this Kingdom so Holy.*

May the Sun of the Supreme "Fiat" invest the Holy Father and form the First Sun of the Divine Volition in Its Representative on earth; and Forming Its Primary Life in the Holy Father who is the Head of all, It shall spread Its Interminable Rays in all the world; and Eclipsing all with Its Light, It will Form one Flock and one Shepherd."

These recent events manifested eight+ months after the celebrated "New Day" - October 14, 2019, day the little children of Luisa rejoiced with the faithful ceremonies in honor of Our Lady of America. It was Our Lady of America Who Called Her children of the United States of America to lead the world to a Life of Purity (True Life of Jesus and True Life of Mary). Always respond with a resounding "Fiat!" to Our Lady's Call, we prayed in October and continue to pray in the Holy Divine Will for the fulfillment of all Her Wishes and for the Triumph of Holy Mother the Church. We continue to be grateful to Our Lord and Our Lady, through little mama Luisa, Who Answer our Prayers in these little events for everyone to see. We continue to joyfully pray for what Our Lord has in store for His Holy Church and His little children, and that is Divine Healing. As we Echo the prayers of Luisa for Divine Healing, we pray for all souls, past, present and future, and especially for our Holy Father. He must open the doors to the Kingdom for all mankind with the Keys that Our Lord gave him 2,000 years ago. May all be for the Glory of God and the Salvation of souls, so that the doors of the Kingdom be Opened and Come to Reign on earth as in Heaven!

Command Prayer for Divine Healing

Abba Father

**in the Name of Jesus,
in the Unity and Power of the Holy Spirit,
under the Mantle of Mary,
with all the Angels and Saints,
through the intercession of the Servant of God Luisa Piccarreta
we make this prayer for Divine Healing:**

O Jesus, we are so very ill and infirm and are in great need
of the Divine Healing Power of Your Most Holy Divine Will.
Fulfill what the Priest prays every day at the Holy Sacrifice of the Mass,
that we may we share in Your Divinity as You shared in our humanity.
You told Luisa that it is Your Will
to see Your children Healed. **(V2 – 10.25.99)**

O Jesus, You have Redeemed us
but we are still a decayed humanity.
We Want to return back to our Origin,
the Origin that You wanted from the Beginning.
We pray, with Luisa, in the name of all souls past, present and future
to Bless us, so that we may all Rise Again to our Beginning.
May Your Blessings Impress in us the Triple Seal of the Power,
the Wisdom and the Love of the Three Divine Persons,
and may It Restore us back to our Original Strength,
Heal us and Enrich us. **(V14 – 7.6.22)**

O Jesus, You Communicate Your Knowledges,
Your Promises and Your Truths to us through Luisa,
to Divinely Heal Your little children with Them.
You told Luisa that it is Just and Decorous for You and for man
that he no longer be sick, but that he be Divinely Healthy Again
so as to begin to Enter into the Kingdom of Your Divine Will.
This is why the Knowledges, Promises and Truths
about Divine Healing are needed. **(V24 – 4.4.28)**

O Jesus, we pray You, to Liberate us from all evils,
both spiritual and corporal. **(V23 – 11.23.27)**
Through Luisa we Divinely Hope in You Lord
both in Spiritual things and corporal things,
so that by sharing in Divinity, both shall participate. **(V26 – 4.29.04)**

O Jesus, Your Divine Will Possesses the Miraculous Power
that whoever lets himself be Dominated by It,
shall be subject to no evil. **(V20 – 10.22.26)**
There is no remedy which is More Divinely Effective,
More Divinely Appropriate, More Divinely Healing,
and which Blocks the fury of these winds within the soul,
than the Power of the Light of Your Divine Will,
and the Eclipse Formed by It. **(V20 – 12.27.26)**

O Jesus, we pray You, to quickly let our little mama Luisa
Through You, Make the Miracle of miracles

that the Divine Will wants her to Make,
that is, Giving Your Divine Will to Your children,
and Making the Divine Will Known and Reign. (V22 – 6.1.27)

O Jesus, make the Miracle of miracles through Luisa,
who shall Do More than Anything.
Luisa shall place the Salvation, the Sanctity of sanctities
the Divine Nobility of Your children back in Safety,
that shall also banish all our corporal maladies,
caused by the fact that Your Divine Will does not yet Reign. (V22 – 6.1.27)

O Jesus, Compassionate Doctor, Divinely Heal mankind.
Transform the sad condition in which poor humanity finds itself in.
We though Redeemed, are still that of a poor ill one,
Your Most Holy Divine Will shall Give Your children
The Divine Healing, the Divine Restoration of True Health.
Clothe mankind Again in Royal Garments,
the Divine Beauty Worthy of You, Almighty God. (V24 – 6.12.28)

O Jesus, Divinely Heal mankind through the Power of the Holy Spirit
by Raising us up Again as You Promised.
Perform Miracles and Prodigies with the Power of Your Divine Will,
and Call back to Life those who are dead to Grace,
and Give a Greater Miracle than the Resurrection of Lazarus
for all Your children. (V34 – 5.31.36)

O Jesus, with the Divine Breath of the Holy Spirit,
Breathe in mankind as You Breathed into Adam in the Beginning,
In the Fullness of Your Image and Likeness.
We beg You to Restore us Perfectly and Divinely Heal us.
Render Your children as Beautiful as You have Always Planned for mankind to be,
that Your children Recognize Your Paternal Goodness
and how Much You Love us, Lord, Mighty God. (V35 – 12.21.37)

**Please take our humble prayer
and Make it Your Command,
that Your little children be Divinely Healed.**

**May all be Accomplished and Completed
in Your Most Holy Divine Will.**

WE BELIEVE! WE RECEIVE!

**FIAT!
AMEN!
SO BE IT!**
