

# Luisa and Re-Entering the Womb of the Celestial Father in the Divine Will

## Part I

*“God Loves us so deeply, totally, without distinction, He Calls us to Friendship with Him, He makes us Part of a Reality beyond all imagination, thought and word; His own Divine Life.*

*Homily of Pope Benedict XVI on the Vigil of Prayer for Nascent Human Life, Advent 2010*

*In God “we are all children,” as He is “the Origin of the existence of every creature,” Who has a “Unique, Personal Relationship with him or her.”*

*“Each of us is Willed, is Loved by God,” such that it is appropriate to speak of being ‘Born Again,’ as children of God. This happens through Faith, explained the Pope, and in our “deep and personal ‘yes’ (Fiat) to God as the Source and Foundation of our existence.” - Vatican City, Jan 8, 2012 / 02:21 pm (CNA/EWTN News).- Pope Benedict XVI*

**V1** - So, Jesus in the Sacrament reminds us of the Resurrection of our bodies to Glory: just as Jesus, when His Sacramental State ceases Resides in the **Womb** of God, His Father, the same for us – when our lives cease, our souls go and make their Dwelling in Heaven, in the **Womb** of God, while are bodies are consumed.

**V1** – “...Listen to Me: in the **Womb** of My Celestial Father I was Fully Happy; there was no Good which I did not Possess; Joy, Happiness - everything was at My Disposal. The Angels Adored Me Reverently, hanging upon My every Wish.”

**V5 – 3.24.03** - Now, while I was being consumed with Pains, He came back like a flash, and with Sonorous and Serious Voice He told me: "Who are you to expect to be always with Me?" And I, insane as I was, all daring, answered: ‘I am everything while being with You; I feel I am nothing but a will come out of the **Womb** of My Creator, and as long as this will is United with You, it feels Life, Existence, Peace, all of its Good. Without You I feel it without Life, I feel I am being destroyed, I feel dispersed, restless. I can say I experience all evils, and in order to have Life, and so that I may not be dispersed, this will that came out from You looks for **Your Womb**, Your Center, and there it wants to Remain Forever.’

**V6 – 12.22.03** – “My daughter, in the Creation I gave My Image to the soul; in the Incarnation I gave My Divinity, Divinizing humanity. And since in the very Act, in the very Instant, in which the Divinity Incarnated Itself in humanity, It Incarnated Itself in the Cross, in Such a Way that from the moment I was Conceived, I was Conceived United with the Cross – it can be said that just as My Cross was United with Me in the Incarnation which I did in the **Womb** of My Mother, so does My Cross Form as many other Incarnations of Mine in the wombs of souls. And just as the Cross Forms My Incarnation in souls, the Cross is the Incarnation of the soul in God, destroying in her everything that gives of nature, and Filling her with the Divinity So Much, as to Form a sort of Incarnation – God in the soul, and the soul in God.”

**V6 – 5.5.05** - “My daughter, everything that can come out from within a person is called a birth, and this birth becomes the child of the one who delivers of it. Now, this daughter of Mine is Grace which, Coming Out of Me, Communicates Herself to all the souls who Want to Receive Her, Luisa and Transmutes them Into as many other Children of Mine. Not only this, but everything Good and Virtuous that can come out of these Second Children, becomes the Children of Grace. See now, what a long Generation of Children Grace Forms for Herself, if only they

Receive Her. But, how many reject Her, Luisa; and My daughter comes back into **My Womb**, alone and childless.”

### **V10 – 2.8.11 - Love Song of Luisa**

Love Invites me, Love is my life, Love Kidnaps my heart deep into the **Womb** of my Lord. With Love He Inebriates me, with Love He Delights me, I, all alone, and only for You! You, alone and only for me!

**V12 – 1.24.21** - "My daughter, the First FIAT was Pronounced in Creation with no intervention of creature. The Second FIAT was Pronounced in Redemption; I wanted the intervention of the creature, and I Chose My Mama Mary for the Completion of the Second FIAT. Now, for the Fulfillment of both, I want to Pronounce the Third FIAT VOLUNTAS TUA, and I want to Pronounce It through you, Luisa; I have Chosen you, Luisa for the Fulfillment of the Third FIAT. This Third FIAT shall bring to Completion the Glory and the Honor of the FIAT LUX of Creation, and shall be Confirmation and Development of the Fruits of the FIAT MIHI of Redemption. These three FIATs shall Conceal the Most Holy Trinity on earth, and I shall have the *Fiat Voluntas Tua* on earth as it is in Heaven. These Three FIATs shall be Inseparable - each One shall be Life of the Other. They shall be One and Triune, but distinct among themselves. My Love wants it, My Glory demands it: having unleashed the first Two FIATs from the **Womb** of My Creative Power, It wants to unleash the Third FIAT, because My Love can no longer contain It – and this, in order to Complete the Work which came from Me; otherwise, the Works of Creation and of Redemption would be incomplete."

**V12 - 2.2.21** – “...Now, the Third FIAT too Must run together with the other two FIATs. It Must Multiply to Infinity, and in every instant It Must Give as Many Acts for as Many Acts of Grace as are unleashed from **My Womb**; for as many stars, for as many drops of water, and for as many Created things as were unleashed by the FIAT of Creation. It Must Merge with them and say: ‘As many Acts as you are - so many I do.’

**V13 – 11.4.21** - "My daughter, this is the creature searching for the **Womb** of her Creator in order to Rest in His Arms. It is your duty Luisa, to come into the Arms of your Creator, to Rest in that **Womb** from which you came out. In fact, *You Must Know* that many Electric Wires of Communication and Union pass between creature and Creator, which render her almost Inseparable from Me, provided that she has not withdrawn from My Divine Will; because withdrawing is nothing other than snapping the Wires of Communication, and breaking the Union. The Life of the Creator, more than electricity, Flows within the creature, and she Flows within Me. My Life is spread within the creature. In Creating her, I Linked My Wisdom to her intelligence, so that her intelligence might be nothing but the Reflection on Mine; and if man reaches such great extent with his science, as to seem incredible, it is because the Reflection of Mine is Reflected in his. If his eye is Animated by a Light, it is nothing other than the Reflection of My Eternal Light being Reflected in his eye.”

**V13 – 1.25.22** – “...Now, since the Truths that one has Known on earth are Divine Seeds which sprout with Beatitudes, Joy, etc., when the soul is in her Fatherland in Heaven they shall be like Electric Wires of Communication through which the Divinity shall unleash from **Its Womb** so

Many Acts of Beatitude for as Many Truths as one has Known. Oh, how Inundated the soul shall be, as though by Many different Immense Seas! She already has the Seed, and by having the Seed, she has Space in which to receive these Immense Seas of Happiness, of Joy and of Beauty. One who does not have the Seed - who has not Known a Truth while on earth - lacks the Space to be able to Receive these Beatitudes.

“It happens as to a little one who did not want to study all the languages. As he grows up, and hears these languages being spoken, which he did not want to study, or which he was not given the opportunity of studying - he shall understand nothing. In fact, by not wanting to study, his intelligence remained closed, and he made no effort to prepare a little space in order to comprehend those languages. At the most, he shall be amazed, and shall enjoy from someone else’s happiness, but he shall not possess it, nor shall he be the cause of happiness for others. See then, What it Means to Know one Truth More, or one Truth less - if all Knew what Great Goods they miss, they would compete in order to Acquire Truths.

“Now, the Truths are the Secretaries of My Beatitudes, and if I do not Manifest them to the souls, they do not break the Secret which they contain. They Swim within My Divinity, waiting for their turn to Act as Divine Agents, and Make Me Known - how Many More Beatitudes I contain. And the longer they have remained hidden in **My Womb**, the More Uproariously and Majestically they come out to Inundate the creatures and Manifest My Glory.

...” Now, My daughter, in order to console you Luisa, and so that you may be More Attentive in Listening to My Truths, I want to Tell you which ones are the Truths that Glorify Me the Most: they are those which Regard My Will, since the Primary Reason for which I Created man was that his human will be one with his Creator. But Adam, having withdrawn from My Divine Will, rendered himself unworthy to Know the Values, the Effects and All the Truths It contains. This is the Reason for All My Attentions with you: that between Me and you, our wills would Run Together, and be always in Perfect Accord. In fact, so that the soul may Open the Doors and become disposed to Know the Truths that My Divine Will contains, the *first thing* is Wanting to Live of My Will, the *second* is Wanting to Know It, the *third* is to Appreciate It. Therefore, with you Luisa, I Opened the Doors of My Divine Will, that you might Know Its Secrets, which man had buried inside **My Womb**, as well as Its Effects and the Value It Contains; and as Many Truths as you come to Know about My Divine Will, So Many Seeds you Receive, and so Many Divine Secretaries Form your Cortege.”

**V14 – 4.13.22** - "My Life, Jesus, You make me fear with these questions. *Explain Yourself* better. I say it firmly, but always *Helped* by You, and in the *Strength* of Your Will, which involves me Completely, in Such a Way that I could not do without *Living* in Your Volition." And He, heaving a sigh of relief, repeated: "How Happy I AM of your Triple Affirmation! Do not fear, these are nothing but Reassurances, Reaffirmations and Confirmations, so as to Impress in you the Triple Seal of the Divine Will of the Three Divine Persons. *You Must Know* that the one who Lives in My Divine Will Must Rise Up High - but So High as to Live in the **Womb** of the Most Holy Trinity. Your life and Ours Must be One; therefore it is Necessary, it is Decorous that you Luisa, Know Where you are, and with Whom you are; that you conform to whatever We Do, and that, not by force, but Willingly, with Love and with Full Knowledge, you Live in **Our Womb**

Now, do you know what Our Divine Life is? We Amuse Ourselves Very Much in Releasing from Us New Images of Ourselves. We are in Continuous Act of Forming Our Images, So Much So, that Heaven and earth are Filled with Our Images - their shadows Flow Everywhere. The sun is Our Image, and its light is the shadow of Ours, which covers all the earth. The heavens are Our Image, which Extend everywhere and carry the shadow of Our own Immensity. Man is Our Image, who carries Our Power, Wisdom and Love within himself. So, We do nothing other than Continuously Produce Our Images, which Resemble Us. Now, the one who Must Live in Our Will, Living in **Our Womb**, Must Form Many other Copies of Ourselves Together with Us; she Must be with Us in Our Work; she Must let Copies and Shadows of Us come out of herself, Filling the Whole earth and Heaven.

Now, in Creating the First man, We formed Adam with Our Hands; and Breathing over him, We gave him Life. Once We made the First, All the others take Origin from the First, and are copies of the First. Our Power, Flowing through all Generations, Reproduces his copies. Now, since We Constitute you, Luisa, Firstborn Daughter of Our Divine Will, it is Necessary that you Live with Us in order to Form the First Copy of the soul who Lives in Our Divine Will, so that, as she Lives in Us, she may receive Our Attitude, and may learn with Our Power to Operate according to Our Way. Once We have Made of you, Luisa, the First Copy of the soul who Lives in Our Will, More Copies shall come.”

**V14 – 4.17.22** – “...The Echo of Our Volition shall be the Echo of Our Own Volition Possessed by you, Luisa; the Exchanges shall be Mutual; Love shall be Reciprocal; We shall be in Full Harmony, and the creature shall disappear within her Creator. Then, nothing else shall be lacking to Our Joy, to Our Happiness, for which We Delivered Creation. The *‘Let Us make man in Our Image and Likeness’* shall have its Effect. Our Divine Will Alone, as Actor within the creature, shall Give Completion to Everything, and the Creation shall Bring Us the Divine Purpose, and We shall Receive It in **Our Womb** as Our Work, just as We Delivered It.”

**V14 – 6.11.22** – “...Observe a bit: how many changes does the natural life go through? It is conceived in the maternal womb, and there it remains for as long as nine months in order to form the little body; and when it is formed, it is forced to come out. And if it wanted to remain inside, it would die, because it would lack the space to grow, and so it would suffocate, jeopardizing its life and that of the mother. Now, if this conception were formed outside of the maternal womb, who would provide the blood and the heat to form the little body? Moreover, since the members are extremely tender, the air itself would kill it. How much care is needed with the little newborn! Heat, cold, and even being pressed to the maternal bosom can be deadly for him; and therefore swaddling clothes, cradle, milk... If one wanted to give him some other food, the little one would not know how to chew it, and so his life would be put in danger. But then the time also comes when he becomes capable of taking food; the swaddling clothes are removed, and he learns to take a few Steps. Do you see? We are still at his infancy, and he has already gone through three changes.

“...Now, let us come to the True Spiritual Life. It is Conceived in **My Womb**; My Blood, My Love and My Breath form it. Then I Feed it at My Breast; I Swaddle it with My Graces. Then I continue by making it walk with My Truths. However, My Design is not to form a child to play

with - but a Copy Fully Similar to Myself. And this is why changes occur - for nothing other than to let it reach a mature age and Give it all those Privileges and Qualities which True Spiritual Life contains. Otherwise, it would remain like a baby in swaddling clothes who, instead of Forming My Honor and My Glory, would form My sorrow and dishonor. But how many are those who remain only newborn, or at most swaddled. Very few are those who Work Together with Me to become a Copy of Myself."

**V14 – 7.10.22** - Then, while I was Feeling His Real Presence in my interior, He told me: "My daughter, Rise, Rise More - but so High as to Reach the **Womb** of the Divinity; your life shall be among The Divine Persons. See, in order to make you Reach this Point, I Formed My Life in you Luisa, I Enclosed My Eternal Volition in whatever you Do, and there It Flows in a Marvelous and Surprising Way, as My Volition is Acting in you in a Continuous Immediate Act. Now, after I have Formed My Life in you, with My Divine Will Acting in you, in your acts, your human will has remained Soaked, Transfused, in Such a Way that My Volition Possesses a Life upon the earth.

Now it is Necessary that you Luisa, Rise and Carry with you My Life, My Divine Will, so that My Volition of the earth and That of Heaven may Fuse Together, and you may Live for some time in the **Womb** of the Divinity, where your volition shall be Acting in Mine, in order to Expand it as much as a creature can be capable of. Then, you shall Descend again upon the earth, bringing the Power and the Prodigies of My Will, in Such a Way that the creatures shall be shaken, they shall open their eyes, and many shall Know What it Means to Live in My Divine Will - to Live in the Likeness to their Creator. This shall be the Beginning of the Coming of My Kingdom upon earth, and of the Final Fulfillment of My Will.

Do you think that Living in My Will is something trivial? There is nothing that equals It, nor Sanctity that Matches It. It is the Real Life, not a fantastic one, as some may think; and this Life of Mine is not only in the soul, but also in the body. But do you know how this Life of Mine is Formed? My Eternal Will is that of the soul, and My Heartbeat, Palpitating in her heart, Forms My Conception; her Love, her Pains, and all of her Acts done in My Divine Will Form My Humanity, and make Me Grow So Much that I cannot remain hidden, nor can she Help Feeling Me. Don't you Feel Me, Alive, in your interior? This is why I told you that the Sanctity of Living in My Divine Will cannot be matched by anything else; all other sanctities shall be like little lights, while It shall be The Great Sun Transfused In Its Creator."

**V14 – 7.14.22** - As I was in my usual state, my Sweet Jesus Carried me outside of myself, up into the **Womb** of the Eternal One. But while I was Swimming in that **Womb** - and I am unable to say what I Felt and what I Understood, because I lack the words to express myself - my always Lovable Jesus told me: "Beloved daughter of Our Will, I have brought you Luisa, into the **Womb** of Our Divinity, so that your human will may Extend More within Ours, and may Participate in Our Way of Acting. Our Divinity is naturally Inclined to Generate; It does nothing but Generate Continuously, and All Things Created by Us Carry with them the Virtue of Generating.

The Sun Generates light in each human eye, in each work and step; it seems that it Multiplies for each man, for each plant and for each point of the earth. If it did not have this Virtue, this connection with its Creator who Generates, by no means could the Sun give light to

all and be at everyone's disposal. The flower Generates another flower, fully similar to itself; the Seed Generates another Seed; man Generates another man. All things carry with them the Virtue of Generating from their Creator. So, We are so very naturally inclined to Generate and to Reproduce from Ourselves beings Similar to Ourselves.

This is Why I have Called you, Luisa, into **Our Womb**, so that, as you Live With Us, your human will, Diffusing within Ours, may Expand and Generate Sanctity, Light and Love Together with Us; and Multiplying in Everyone with Us, it may Generate in others that which it has Received from Us. This is The Only Thing, wanted by Us, which is left for Us to Fulfill with regard to Creation: that Our Divine Will Act in the creature as It Acts in Us. Our Love wants to unleash Our Will from **Our Womb** in order to Place It in the creature, but It keeps looking for the one who is Disposed, who would Recognize It and Appreciate It, in order to Generate in her what It Generates in Us. This is the Reason for So Many Graces, So Many Manifestations about My Divine Will: it is the Sanctity of My Will that Demands that It Be Known, Loved and Revered, before being Placed in the soul; that It be able to Display all Its Virtue and Power within her, and that It be Surrounded by the Cortège of Our Own Graces. So, Everything I do to you is nothing other than Equipping and Adorning the Dwelling of My Divine Will. Therefore, Be Attentive; here in **Our Womb** you shall Learn Our Ways Better, and you shall Receive All the Prerogatives which Befit the Designs We have Formed over you."

**V14 – 9.11.22** – "...Now, the Fulfillment of the Work of Creation was that man would do Our Will in everything. Our Divine Will was to be the Life, the Food, the Crown of the creature; and since it is not yet so, the Work of Creation is not yet Fulfilled, and neither can I rest in It, nor can It Rest in Me. It Gives Me always something to do, and I Yearn for this Fulfillment and Rest. This is why I Love and Want So Much that the Way of Living in My Divine Will be Known; nor shall I ever be able to say that the Works of Creation and Redemption are Fulfilled if I do not have All the Acts of the creature Extending in My Divine Will like a Bed to give Me Rest. And I - what Beautiful Rest shall I not give to her in seeing her coming back on the Wings of Our Divine Will with the Seal of the Fulfillment of Creation? **My Womb** shall be her Bed."

**V14 – 10.19.22** – "...I find Myself in the condition of a poor mother, who has held her birth inside her womb for a long time, and as the time comes to deliver, if she does not, she agonizes, she anguishes; and forgetful of her life, at any cost she wants to give birth. The hours, the days of delay seem like years and centuries to her. She has done and disposed everything; there is nothing left but to deliver it.

So am I - More than a mother. For many centuries I have held within Me, More than a birth, all My human Acts done in the Sanctity of the Eternal Volition in order to Give them to the creature. And when they Give themselves, they shall Raise the human acts of the creature to Divine Acts, and shall Adorn her with the Most Beautiful Beauties, making her Live with the Life of My Divine Will; Giving her the Value, the Effects and the Goods which My Will Possesses. Therefore, More than mother, I Agonize, I Anguish, I Burn with Desire to Deliver this Birth from My Will. *The time has come*; there is nothing left but to find one who would Receive the First Birth, so as to continue with other Births in other creatures. This is why I tell you Luisa, - Be Attentive; Enlarge your heart to be able to Receive All the Value, the Effects, the Knowledge

which My Will contains, so that I may Place the First Birth in you. How much Joy shall you Give Me! You shall be the Beginning of My Happiness upon earth. I could say that the human will rendered Me unhappy in the midst of creatures; and My Will Operating in the creature shall Restore My Happiness."

**V14 – 10.24.22** - "My daughter, how Many Prodigies does My Supreme Volition Operating in the creature contain! As the soul lets this Holy Will enter into her, and herself into It, and allows It to Operate in everything, even in the most tiny things, a Current is Established between the Will Operating within the Divine Persons and Their Own Will Operating in the creature. Therefore, if They Love or want to Give Love, They find a Place in which to put this Love, because in one Point of the earth there is Their Own Will Operating in the creature which can receive this Love. And Rising Up into the **Womb** of the Divinity, this Will of Theirs - which is as though divided in two, in the creature and in the Divinity, while It is always One - shall bring Them the Return of Their Love in a Divine Manner on the part of the creature. And so the Eternal Love places Itself in Current between Heaven and earth, Descending and Ascending with no obstruction, because there is the one who can receive Its Deposit. Their Own Will Operating in the creature shall be Jealous in holding It in safekeeping."

**V14 – 10.27.22** - I was thinking to myself about all that has been written in these past days, and I thought to myself: 'How is it possible that my Sweet Jesus has waited for so long to make Known all that His Humanity Operated in the Divine Will for Love of the creatures?' But while I was thinking of this, my Always Lovable Jesus, making Himself seen with His Heart Opened, told me: "Daughter of My Will, why concern yourself? This happened also in Creation. How long did I not keep It in **My Womb** Actually Formed? And when I pleased, I Delivered It. And even Redemption, how long did I not keep It within Me? I could say from Eternity; yet, I waited much time before Descending from Heaven and bringing It to Fulfillment. This is My usual Way: First I Fecundate My Works, I Form them within Me, and at the appropriate time I Deliver them. Even more, *You Must Know* that My Humanity contained two Generations within Itself: the children of darkness and the Children of Light. I came to Rescue the first ones, and so I gave out My Blood in order to save them.

My Humanity was Holy, and nothing did It inherit of the miseries of the first man; and although It was similar in natural features, It was untouchable by the slightest spot which could veil My Sanctity. My only Inheritance was the Will of My Father, in which I was to Carry out all of My human Acts, to Form in Me the Generation of the Children of Light. You see, I was allowed to Form this Generation in the very **Womb** of the Will of My Celestial Father, and I spared no Strains, nor Acts, nor Pains, nor Prayers; on the contrary, it was at the top of all the things I Did and Suffered, in Such a Way that I Conceived it in Me, I Fecundated it and I Formed it. They were the ones, the Children of Light, whom the Divine Father had Entrusted to Me with So Much Love; they were My Favorite Inheritance, which was Given to Me in the Most Holy Supreme Will."

**V14 – 11.5.22** - "My Will Crystallizes the soul; and just as when any object is placed close to a crystal, another object is formed within it, fully similar to the one which is placed in front of it, so does My Will Reflect all It does in these souls, Crystallized by My Power; and they Repeat

and do all that My Supreme Will does. And just as My Will is Everywhere, in Heaven, on earth and in every place, so do these souls, wherever My Will is Acting, Absorb It like Crystal within them and Repeat My Act, because they Contain My Will in them as their own Life. Therefore, as I Act, I take Great Delight in Placing Myself in front of them to see My Own Action being Repeated in them. They are My Mirrors, and My Will Multiplies them Everywhere, for every Act It does; so, there is not one Created thing in which they are not present: in the creatures, in the sea, in the sun, in the stars, and even in Heaven; and My Divine Will receives the Return of My Act from the creature in a Divine Manner.

This is also the Reason why I Love So Much that the Living in My Will be Known: to Multiply More of these Mirrors Crystallized by My Divine Will; to have My Works Repeated in them. Then I shall not be alone any more, but I shall have the creature in My Company; I shall have her with Me, Intimately with Me, in the Depth of My Divine Will, almost Inseparable from Me, as if she had just come out of **My Womb** when I Created her, having followed no other way contrary to My Will. How Happy I shall be!"

**V14 – 11.11.22** – "...Therefore I tell you Luisa, True daughter of My Volition, first Happy Birth from My Will - Be Attentive and Faithful to Me; come and Live in My Eternal Volition. My Acts await you, wanting the Seal of yours; those of My Mama await you; the Whole of Heaven awaits you, wanting to see all of their acts Glorified in My Will by a creature of their own stock. The present and future Generations await you, to be given back the lost Happiness. Ah! No, no... the Generations shall not end until man Returns into **My Womb**, Beautiful, Dominant, just as he Came Out of My Creative Hands. I AM not Content with just having Redeemed him; even at the cost of waiting... I shall still have Patience, but he Must Return to Me as I Made him, by Virtue of My Will. By doing his own human will, he went down into the abyss and transformed himself into a brute; by doing My Divine Will, he shall Rise and Acquire the New Transformation into the Nature Created by Me. Then shall I be able to say: 'I have Accomplished Everything; the Order of the Whole Creation has Returned to Me, and I shall Rest in It.'"

**V15 – 4.14.23** – "...In order to be able to Elevate a creature to Conceiving a Man and God, I had to Centralize all Possible Imaginable Goods in Her. I had to Elevate Her so High as to Place in Her the Seed of the very Paternal Fecundity. So, just as My Celestial Father, Virgin, Generated Me within His **Womb** with the Virginal Seed of His Eternal Fecundity, without the work of a woman, and from the same Seed the Holy Spirit Proceeded - in the Same Way, with this Eternal Seed of the Paternal Fecundity, Wholly Virginal, My Celestial Mama Conceived Me in Her Virginal **Womb**, without the work of a man. The Sacrosanct Trinity had to Give of Its Own to this Divine Virgin so that She might Conceive Me, the Son of God. My Holy Mama could never have Conceived Me without having a Seed. Now, since She belonged to the human race, this Seed of Eternal Fecundity gave Her the Virtue of Conceiving Me as Man; and because the Seed was Divine, at the same time She Conceived Me as God. And just as the Holy Spirit Proceeded at the same time as the Father Generated Me, in the Same Way, as I was Generated in the **Womb** of My Mama, the Generation of souls proceeded at the same time. So, everything that *ab æterno* [from Eternity] occurred to the Most Holy Trinity in Heaven, was Repeated in the **Womb** of My Dear Mama Mary. The Work was Immense and Incalculable to Created mind."

**V15 – 5.8.23** – “...Ah! My daughter, I had Created man like a flower, which was to Grow, Acquire Color and Fragrance, in My very Divinity. By withdrawing from My Will, it happened to him as to a flower which is snatched away from a plant. As long as it remains in the plant, the flower is beautiful, lively in its color and fragrant in its perfume; but once it is snatched away from the plant, it withers, it fades, it becomes ugly, and reaches the point of giving off a bad smell. What a lot this was for him, and what a Sorrow for Me Who, with So Much Love, wanted to Raise this flower in My Divinity, to Delight and Amuse Myself with him!

Now, by My Omnipotence, I Want this detached flower to Bloom again, by Transplanting it once again into the **Womb** of My Divinity; but I Want a soul who Wants to Live in the **Womb** of My Volition. She shall be the Seed that she shall Lend to Me, and My Will shall do All the rest. In this Way, My Delights of Creation shall Return, I shall Amuse Myself with this Mystical Flower, and I shall be Repaid for Creation.”

**V16 – 8.5.23** – “...Therefore, the First Role in Redemption was of the Divine Will; the Second, of My Humanity. If it wasn't for the Divine Will, Redemption would have been for few and limited in time, because not having the Light of All-Seeingness which makes everyone Known, I could not have Extended Myself to all. So, in order to Form Redemption, I did nothing other than Open the Doors of the Divine Will to My Humanity – Doors, which the First man had closed; and Giving It Free field, I let It Work Redemption in Its very **Womb**. Since then, no one else has Entered My Divine Will to Work in It as Master, in Full Freedom, as though being the Owner of It, in order to Enjoy all the Power and the Goods It Contains.”

**V16 – 8.13.23** – “...I could say that Redemption cost Me little; My external Life, the Pains of My Passion, My Examples, My Word, would have been sufficient – I would have done it quickly. But in order to Form the Great Plan of the human will in the Divine, to Bind All the Relations and Links which had been broken by it, I had to place All My Interior, All My Hidden Life, All My Intimate Pains, which are far More Numerous and More Intense than My external Pains, and which are not yet Known... It is enough to say that I Impetrated not only Forgiveness, Remission of sins, Refuge, Salvation and Defense in the Great dangers of the life of man, as I did during My Passion, but the New Rising of all his interior. I had to Make the Sun of the Eternal Will Rise, which, Binding with Enrapturing Power the whole interior of man, even his most intimate fibers, was to lead him to the **Womb** of My Celestial Father, as though Reborn in His Eternal Will.”

**V16 – 11.10.23** – “...Now, so that My Will Might be Known, in order to Open Heaven to let My Will Descend upon earth and to Make It Reign on earth as It does in Heaven, I had to Choose another little one among all Generations. Since this is the Greatest Work I Want to Do – to Restore man in his Origin, from which he Came, to Open for him that Divine Will which he rejected, to Open My Arms to him to Receive him again into the **Womb** of My Divine Will – My Wisdom Calls the most little one out of nothing.”

**V16 – 2.8.24** - "My little daughter, in My Will the little ones Must be before all; even more, inside My **Womb**. One who has to Plead, Repair, Unite Our Will not only with hers, but with that of all, Must be Close to Us and so United to Us as to Receive All the Reflections of the Divinity in order to Copy them within herself. She Must have a thought which may belong to all; a word, a

work, a step, a Love, which may be of all and for all. And since Our Will Enwraps everyone, may that thought of yours be of all, in Our Will; may that work, that act, that Love, Shine in every thought, word and act of all Generations, and by the Power of Our Divine Will, may they become Antidotes, Defenders, Lovers, Workers, etc.

If you Knew with what Love Our Celestial Father Awaits you, Luisa, and the Joy, the Contentment He feels in seeing you, so little, bring the whole Creation onto His lap, to Give Him the return of All...! He feels the Glory, the Joys, the Amusements of the Purpose of Creation coming back to Him. This is Why it is Necessary that you, Come before All; and after you, have Come forth, you, shall turn back within Our Will and go behind everyone; you, shall Place them on your lap, and you, shall Bring them All into **Our Womb**. And in seeing them covered with your Acts done in Our Divine Will, We shall Welcome them with More Love, and We shall Feel more Disposed to Bind Our Will with that of the creatures, that it may Return to its Full Dominion.”

**V16 – 2.10.24** – “...Now, for the soul who Lives in My Will and is not Completely Abandoned in It, self-reflections, cares of herself, fears, disturbances, are nothing other than the windows, the balconies, the front doors that she Forms in My Divine Will; and going out very often, she is forced to see and feel the miseries of human life. And since the miseries are her own property while the Riches of My Divine Will are Mine, she becomes more attached to the miseries than to the Riches, so she shall not Love nor Enjoy the Meaning of Living in My Divine Will. And since she formed the main entrance, one day or another she shall go out to live in the miserable hovel of her own human will. See, then, how Complete Abandonment in Me is Necessary in order to Live in My Divine Will. My Divine Will does not need the miseries of the human will; It Wants the creature to Live Together with It - Beautiful, just as she was Delivered from **Its Womb**, without the miserable provision she made herself in the exile of life. Otherwise, there would be disparity, which would bring Sorrow to My Divine Will and unhappiness of the human will.”

**V16 – 2.18.24** – “...I Acted like a rich and tender father, who loves his son. Since the son has to leave the paternal house to take his position, the father prepares a sumptuous palace with innumerable rooms, and each of them contains a certain something, which may serve his son. Now, since those rooms are many, the son does not always see them; even more, some of them he does not know, because no necessity to use them has occurred to him. But just because of this, can anyone perhaps deny that in each room there is a special love of the father for the son, since the paternal goodness has provided also for that which might not even be necessary to the son? So I did. This son, Adam, came out from **My Womb**, and I Wanted Adam to lack nothing; even more, I Created many different things - and some Enjoy one thing, some another; but everything has One Single Sound: *"I Love you."*

**V16 – 2.28.24** – “...Now, was it not destroying Our Divine Purpose that fact that Adam, the one who was to serve only to make Us Rejoice and to Amuse Ourselves Together, by withdrawing from Our Divine Will, served Us bitterness, and by departing from Us, instead of Amusing himself with Us, he amused himself with the things Created by Us and with his own passions, putting Us aside? Was it not turning the Whole Purpose of Creation upside down?

Do you see, then, how Necessary it is that We, Triune God, Restore Our Rights and that the creature return into **Our Womb**, so that We, Triune God, may Restart Our Amusements? But she Must Return there where Adam made Our Sorrow begin, and Bind herself to Our Divine Will with an Indissoluble Bond; she Must dismiss her human will, to Live in Ours.

This is Why I AM working in your soul; and you, Luisa – Follow the Work of your Jesus, Who Wants to Place in Current the Gifts, the Suspended Graces, which are there in My Will."

**V17 – 8.9.24** – "...Another Image of the Working of the soul in My Will, is the earth. The souls who Live in My Will are the Plants, the Flowers, the Trees, the Seeds. With how much Love does the earth not open in order to receive the seed? But more than opening, it splits, in order to place itself upon it, to help the seed to become dust like itself, so as to be able to deliver more easily from its womb the plant which that seed contains. And as it begins to come out of its womb, it presses itself around it, it gives it the humors it contains, almost like food in order to make it grow. A mother cannot be so loving as mother earth. A mother does not always hold her newborn baby on her lap, nor does she constantly give him milk; but the earth, more than a mother, never detaches the plant from its breast. Rather, the more it grows from the top, the more the earth sinks underneath, and it rips open to make space for its roots, and to make the plant grow more beautiful and more robust. Its love and its jealousy are so great that it keeps it attached to its breast, to give it life and continuous nourishment. But the plants, the flowers, etc., are the most beautiful ornament of the earth – its happiness, its glory and its richness, and they provide food for the human generations. My Will is More than mother earth. More than a tender mother, I Hide in My Will the soul who Works and Lives in My Will; I Help her to make the seed of her human will die, that it may be Reborn with Mine, and I Form My Favorite Plant. I Nourish her with the Celestial Milk of My Divinity, and My Jealousy is such that I keep her Attached to My Breast; and My Will remains Pressed around her, that she may Grow Beautiful and Strong – and all to My Likeness."

**V17 – 10.2.24** - In the meantime, I felt I was being Transported outside of myself, toward the Vault of the Heavens, and I seemed to meet the Celestial Father and the Holy Spirit. And Jesus, Who was with me, Placed Himself between Them, and Placed me on the Lap of the Father, Who seemed to be waiting for me with So Much Love that He Pressed me to **His Womb**, and Identifying me with His Divine Will, Communicated His Power to me. So did the other Two Divine Persons, with Wisdom (J) and with Love (HS). But while They Communicated Themselves to me, One by One, then, They All Became One, and I felt I was being Infused with, All Together, the Will of the Power of the Father, the Will of the Wisdom of the Son, and the Will of the Love of the Holy Spirit. But who can say all that I felt as being Infused in my soul?

**V17 – 10.17.24** - "My daughter, do you see with how much Love I Love the creature? Before coming out to the light of the day of this world, she was already in **My Womb**, and in Delivering her, I did not leave her: a Ray of Light containing My Life Follows her in order to Administer to her all that is Necessary to Develop this Life. And with how Much Care do I not Raise her! With how Much Love do I not Water her? I Myself become Light, Heat, Food, Defense. And when she ends her days in time, on the Way of that Same Ray, I Withdraw her into **My Womb**, to let her Wander through the Celestial Fatherland."

**V17 – 1.22.25** - My God, let the One who gave me Life come back to me, or let my poor nature pay You the tribute of death, so that my poor soul may Rise up there, into the **Womb** of my Jesus, where we shall Never Again separate.

**V17 – 2.22.25** – “...All Channels were Opened between God and man, and by Virtue of Our Will, Our Goods were his. And this, with Justice, because Adam was Our son, Our Image, a Work which Came from Our Hands, and from the Ardent Breath of **Our Womb**.”

**V17 – 5.10.25** - I was saying to my Jesus: ‘Tell me, my Love, what is this Void that comes before my mind when I Fuse myself in Your Most Holy Will? Who is this little child coming out from me, and why does she feel an Irresistible Force to Come to Your Throne and Place her little acts into the **Divine Womb**, almost to make Him a Feast?’

My Sweet Jesus, All Goodness, Told me: "My daughter, the Empty Space is My unrequited Will, Placed at your disposal, which should be filled with So Many Acts - as many as the creatures would have done, had they All Fulfilled Our Will. This Immense Void that you see, which Represents Our Will, Came Out from Our Divinity for the Benefit of All in Creation, to Delight Everyone and Everything.”

**V17 – 6.18.25** – “...The Divine Will Came Out from the **Eternal Womb** of the Supreme Being for the Good of man. While doing One Single Act in Coming Out from Ourselves in order to Overwhelm man, in Such a Way that he would not find a way out, this Will of Ours, then, Multiplied into many Innumerable Acts, in order to Surround him, and say to him: ‘See, this Will of Mine not only Enwraps you Luisa, but is in Continuous Attitude of doing Immediate Acts, in order to be Known and to Receive your act in Return, in My Divine Will.

All things have their Return, and if they don’t, they can be called useless works and without value. The seed which is sowed under the earth by the sower wants its return, and so the seed generates more seeds - ten, twenty, thirty, out of one. The tree which is planted by the farmer wants the return of the generation and multiplication of the fruits. The water which is drawn from the fount gives the return of quenching one’s thirst, of washing and cleaning the one who drew it. The fire which is lit gives the return of the heat and the service it renders to humanity. In the Same Way, all the other things Created by God, Who has the Power to Generate, Contain the Virtue of Regeneration; they Multiply and give their return. Now, is only this Will of Ours, which came out from Ourselves with So Much Love, with So Many Manifestations and with So Many Continuous Acts, to remain without Its Return of Regeneration of other human wills into Divine?

A seed gives more seeds, a fruit generates another fruit, man generates another man, a master forms another master. Is Our Will alone, as Powerful as It is, to remain isolated, without Return and without Generating and Multiplying Itself in the human will? Ah, no! This is impossible. Our Will shall have Its Return; It shall have Its Divine Generations in the human will; More So, since this was Our Prime Act, through which All things were Created – that Our Will would Transform and Regenerate the human will into Divine. Will is What Came Out from Ourselves – Divine Will is What We Want. All other things were done in the secondary order, while this was done, Established, in the Primary Order of Creation. At the most, it may take time; but the centuries shall not end, until My Will does not Obtain Its Purpose. If It has Obtained the Purpose of Regeneration in secondary things, More So Must It Obtain it in the Ordinary Purpose.

Our Divine Will would never have departed from **Our Womb**, if It had Known that It would not have Obtained Its Complete Effects – that is, that the human will would be Regenerated in the Divine Will.”

**V17 – 6.29.25** - I was feeling oppressed, and a thought wanted to disturb the Serenity of my mind: ‘What if you were at the moment of death, and doubts and fears about the way you behaved during your life, arose within you, to the extent of making you doubt about your salvation – what would you do?’

But as I was thinking about this, my Sweet Jesus gave me no time to reflect any further, or to answer my thought. Moving in my interior, He made Himself seen shaking His Head, and as though saddened by my thought, He Told me: "My daughter, what are you saying? To think about this is an affront to My Will. No fears, doubts or dangers enter into It. These are things which do not belong to It; rather, they are the miserable rags of the human will. My Will is like a Placid Sea which Murmurs Peace, Happiness, Safety, Certainty; and the Waves It Unleashes from **Its Womb**, are Waves of Joys and of Contentment’s without end. Therefore, in seeing you think about this, I was shaken. My Divine Will is not capable of fears, of doubts, of dangers, and the soul who Lives in It becomes estranged to the miserable rags of the human will. And then, what could My Will fear? Who can ever raise doubts about Its Work, if before the Sanctity of My Operating Will all tremble and are forced to bend their forehead, Adoring the Work of My Will?”

**V17 – 7.20.25** - As I was in my usual state, after going through most bitter privations of my Sweet Jesus, finally He made Himself seen; and without even saying a Word to me, He Placed me in a painful position, in Perfect immobility. I felt Life, but I had no motion; and while feeling pain, I was unable to writhe because of the pain I felt, but I was forced by the Presence of Jesus and of His Most Holy Will to remain immobile. Then, when my Blessed Jesus pleased to do so, He Stretched out His Arms, to Grab me and Pressed me to **His Womb**;....”

**V17 – 8.2.25** - I was praying and Fusing myself in the Holy Divine Will. I wanted to wander everywhere, up to the Heavens, in order to find that Supreme, "*I Love you*" which is not subject to any interruption. I wanted to make it my own, so that I too might have an "*I Love You*" which is Never interrupted, and which might Echo the Eternal "*I Love you*"; and by Possessing the Source of the True "*I Love you*" within me, I might have an "*I Love You*" for each one and for all - for each motion, for each act, for each breath, for each heartbeat, and for each "*I Love you*" of my Jesus Himself. And while I seemed to Reach the **Womb** of the Eternal One, making Their "*I Love you*" my own, I kept repeating, everywhere and upon each thing, a lullaby of "*I Love You's*" to my Supreme Lord.

**V18 – 8.9.25** - “My daughter, all Created things were nothing other than an Act of Our Will that Issued them; nor can they move, or change the effects, the position or the office which each of them received by its Creator. They are nothing other than Mirrors in which man was to Admire the Reflections of the Qualities of his Creator: in some the Power, in some the Beauty, in other Created things the Goodness, the Immensity, the Light, etc. In sum, each Created thing Preaches to man the Qualities of its Creator, and with mute Voices they tell him how much I Love him. On the other hand, in Creating Adam, it was not just Our Will, but an Emanation that Came Out of

**Our Womb** - a part of Ourselves that We Infused in him; and this is why We Created him with a Free will – that he might Grow Always, in Beauty, in Wisdom, in Virtue. In Our Likeness, he could Multiply his Goods, his Graces.”

**V18 – 10.1.25** – “...Within the Sphere of My Humanity, My Will placed My Works, My Steps, My Words, My Blood, My Wounds, My Pains, and Everything I Did, as though on the Way, in order to Call man and Give him sufficient Aids and Means to Save him and to Make him Come Back Again into the **Womb** of My Divine Will.”

**V18 – 1.28.26** – “...So, My Divine Will is Medicine, is Sanity, is Preservation, is Food, is Life, is Fullness of the Highest Sanctity. In whatever way the creature wants It, so does It offer Itself. If she wants It as Medicine, It offers Itself in order to take away from her the fever of passions, the weaknesses of impatience, the vertigo of pride, the sickliness of attachments; and so with all the rest of evils. If she wants It as Sanity, It offers Itself to Preserve her Healthy, to Free her from any spiritual illness. If she wants It as Food, It gives Itself as Food to make her Strengths Develop and Grow more in Sanctity. If she wants It as Life and as Fullness of Sanctity – oh! then My Will makes Feast, because It sees man Returning into the **Womb** of his Origin, from which he Came; and It offers Itself to Give him the Likeness of his Creator, the only Purpose of his Creation. My Divine Will Never leaves man; if It left him, he would resolve into nothing. And if man does not Give himself to letting My Divine Will make him a Saint, My Divine Will uses the Ways to at least Save him.”

“...“My daughter, the Primary Purpose of My Coming upon earth was indeed this one – that man would Return into the **Womb** of My Divine Will, as he came out of it when he was Created. But in order to do this, I had to Form, by means of My Humanity, the Root, the Trunk, the Branches, the Leaves, the Flowers, from which the Celestial Fruits of My Divine Will were to Come Out. No one can have the Fruit without the Tree.”

**V18 – 2.11.26** – “...Now, if you wanted to do an act of your human will, not connected with Mine, you would come to form the worm wood to the Mission which I have Entrusted to you Luisa, and like a second Adam, you would ruin the Root of the Tree of My Divine Will, which I Want to Form in you Luisa, and would jeopardize All those who shall want to Graft themselves to this Tree, because they would not find All the Fullness of My Divine Will in the one in whom It had Its Beginning. Therefore, it is I, God, Who cast this Fear into your soul, so that My Divine Will may Always be Dominant in you, and All the Manifestations which I have Made to you may Always be in Vegetation, in order to Form the Divine Root, Trunk, Branches, Flowers and Fruits, without the shadow of your human will. In this Way, you would Return to your Origin, into the **Womb** of your Creator, all Beautiful, Grown and Formed with the Fullness of the Supreme Will. And the Divinity, Satisfied in you of the Work of the Creation of man, would make Its Chosen people of the *Fiat Voluntas Tua* on earth as It is in Heaven Come Out from you Luisa, and from the Mission Entrusted to you. Therefore, Be Attentive, My daughter, and do not want to ruin the Work of My Divine Will in you. I Love It So Much and it Costs Me So Much, that I shall use All My Infinite Jealousies; I Myself shall Guard My Divine Will, so that your human will may Never have life.”

**V18 – 2.18.26** – “...So, you see, My daughter, each Manifestation that I Make to you Luisa, about My Will is a Beatitude Released from the **Womb** of the Divinity, which not only makes you Happy and Disposes you More to Live in My Will, but Prepares you for More New Knowledges. And not only this, but All of Heaven remains Inundated by that New Beatitude which has come out of **Our**

**Womb.** Oh! how grateful they are to you and how they Pray that I Continue the Manifestations on My Divine Will! These Beatitudes were closed into Ourselves by the human will, and each act of human will is a lock to keep out these Celestial Beatitudes – not only in time, but also in Eternity, because each Act of My Divine Will done on earth Sows in the soul the Seed of that Beatitude which she shall Enjoy in Heaven. Without the Seed, it is useless to hope for the Plant. Therefore, deeper and deeper do I Want you, inside My Divine Will.”

**V19 – 3.31.26** - “My daughter, this Light, this Dwelling So Enchanting, which knows neither sunset nor night, is My Divine Will. Everything is Complete in It: Happiness, Strength, Beauty, Knowledge of the Supreme Being, etc. This Light so Endless, which is Our Divine Will, Came Out of the **Womb** of the Divinity as the Heritage of man – the Most Beautiful Inheritance We could give him. It Came Out of **Our Inmost Womb**, bringing with Itself a Share of All Our Goods, to let the creature Inherit them, and to Form him as All Beautiful and Holy, in the Likeness of the One Who had Created him.”

**V19 – 4.9.26** – “...Therefore, the Greatest Fortune for a soul is to let herself be Dominated by My Divine Will. She holds Supremacy over Everything; she Occupies the First Place of Honor in the Whole Creation; she Never moves away from the Point in which God Delivered her. God finds her Always on His Paternal Knees, Singing to Him, His Glory, His Love and His Eternal Will. So, since she is on the Knees of the Celestial Father, the First Love is for her, the Seas of Graces which Overflow Continuously from the **Divine Womb** are hers; the First Kisses, the Most Loving Caresses, are precisely for her. Only to her can We Entrust Our Secrets, because, being the one who is Closest to Us and who Remains More With Us, We let her Share in All Our Things. We Form, her Life, her Joy and Happiness, and she Forms Our Joy and Our Happiness. In fact, since her will is one with Ours, and since Our Will Possesses Our very Happiness, it is no wonder that, by Possessing Our Divine Will, the soul can Give Joys and Happiness to Us. And so We make each other Happy.”

**V19 – 5.3.26** – “...So, it is impossible for Us not to Enjoy, not to Love, not to listen to Our Divine Will Bilocated in the creature; on the contrary, It Alone Brings to Us, as if on Its Lap, Our Joy, Our Happiness and Our Love which Overflowed from **Our Womb** in Our Work ‘*ad extra*’ – the Creation. It Repeats the Feast for Us, It Renews in Us the Joy We felt in Creating So Many Beautiful Things, Worthy of Us. How not to Love the one who Gives Us the occasion to Bilocate Our Divine Will, by letting It Reign within herself, to Give Us Divine Love, Adoration and Glory?

“...I was thinking of What Jesus had told me, and I said to myself: ‘Is All This Possible? That the Divine Will Reaches the Point of Bilocating in order to Reign in the creature as in Its Own Dwelling – in Its **Divine Womb**?’ And Jesus added: “My daughter, do you know how this happens? Imagine a little and poor hovel, in which a king, taken by Love for it, wants to reside. So, the Voice of the king can be heard coming from within that hovel; from it come his commands, as well as his works. Inside of the hovel there are foods apt to nourish the king, and the chair worthy of him, on which He can sit. So, the king has changed nothing of that which befits his royal person; he has only changed his residence – from the royal palace, of his own will and with greatest delight, he has chosen the hovel. The little hovel is the soul; the King is My Divine Will. How Many Times do I not hear the Voice of My Will that Prays, Speaks, Teaches, in the little hovel of your soul? How Many Times do I not see My Works come out of it, and I Rule, Vivify and Preserve All Created Things from your little hovel? My Will does not take into account your littleness - on the contrary, It Likes it Greatly; what It Looks for is Absolute Dominion, because through Absolute Dominion It can Do Whatever It Wants, and Place Whatever It Likes.”

**Fiat!**
