

*Angel Consecration*  
*In the Most Holy Divine Will*

*“So will it be at the end of the age.  
The Son of Man will Send His Angels,  
and they will Collect out of His Kingdom  
all who cause others to sin and all evildoers.  
They will throw them into the fiery furnace,  
where there will be wailing and grinding of teeth.*

*Then the righteous will  
Shine like the Sun  
in the Kingdom of their Father.”*

*Mt 13:40-44*

**“Thus Speaks the Lord God: ‘Behold, I send an Angel  
before you, to Guard you on the Way  
and to bring you to the Place that I have Prepared.  
Heed him and hearken to his Voice;  
do not rebel against him, for he will not pardon your  
transgressions:  
for My Name is in him!’” (Ex 23,20)**

**V29 – April 16, 1921 – Jesus to Luisa – “These Angels gather your  
Acts and form with them a Crown, and, prostrate, they offer it to  
the Divinity as requital for what Our Divine Will did, so that It  
may be known and form Its Kingdom upon earth. But this is not  
all; I Myself AM at the Head of these Angels, Guiding you and  
Watching over you in everything, and forming in you the very  
Acts and that Love which is needed so that you may have  
sufficient Love to be able to requite So Many Great Works of Our  
Supreme Volition.”**

My soul magnifies the Lord,\*

And my spirit has rejoiced in God my Savior,

For He has regarded the lowliness of His handmaid.\*

And Holy is His Name.  
And His Mercy is from generation to generation\*  
On those who fear Him.  
He has shown strength with His Arm,\*  
He has scattered the proud in the conceit of their heart.

### HYMNS

Hail! Holy Queen enthroned above, O Maria!  
Hail! Mother of Mercy and of Love, O Maria!  
Triumph, all ye Cherubim! Sing with us, ye Seraphim!  
Heav'n and earth resound the hymn: Salve, Salve, Salve Regina.

Our life, our sweetness here below, O Maria!  
Our hope in sorrow and in woe, O Maria! (refrain)

Turn, then, most gracious advocate, O Maria!  
Tow'rds us thine eyes compassionate, O Maria! (refrain)

Holy God, we praise Thy Name! Lord of all, we bow before Thee!  
All on earth Thy scepter claim; All in Heaven above adore Thee!  
Infinite Thy vast domain, Everlasting is Thy reign. (repeat)

Hark! The loud celestial hymn, Angel choirs above are raising!  
Cherubim and Seraphim, In unceasing chorus praising,  
Fill the heavens with sweet accord, Holy, Holy, Holy Lord.

Holy Father, Holy Son, Holy Spirit, Three we name Thee,  
While in essence only One, Undivided GOD we claim Thee,  
And adoring bend the knee, while we own the mystery.

**we may all reach our goal, which is You, our Eternal Beatitude.**

**Amen.**

**January 1 - Prayer:** Lord and God, let me fall before Your Countenance in thanksgiving, for You have given us Mary as Mother and Protectress. The Angels say of Her: "Behold all our splendor - yet, what is all this beside the Heart of our Queen?" *Amen.*

- *Prayer:* Great and Holy Angel, let at least the reflected Light from the Flames you carry fall into my heart and spirit, that I may at last know God and be enflamed by the Fire of His Love. *Amen.*

**January 2 - Prayer:** Great and Holy Angel, you who carry the Mighty stone tablet with the "Thou shalt," let us love this "Thou shalt" so much, that it may say to us rather, "Thou mayest." Let us conquer the Justice of God with The Love of God. *Amen.*

- *Prayer:* Holy Angel, you are named in the Apocalypse as one of the Angels chained at the banks of the Euphrates (image for the River of

Life), and you carry as your symbol a chain made of golden triangles. In the Name of Jesus, let us attain Eternal Life. *Amen.*

- *Prayer:* Lord, do not apportion to us the cruel lot of the refugees, but leave us in our home and in the security of our Holy Church, until the time when You bring us to our Eternal home through Your Angels. *Amen.*

**January 3 - Prayer:** Lord, let the plowshare of Your Love pass over my heart, that Your Angels will be able to Harvest for You. *Amen.*

**January 4 - Prayer:** Mighty and Holy Angel, accept also our small, mean praise as a sound upon your harp, that it may praise God from the depth of the heart. *Amen.*

we implore You, Grant us a host of genuine priests after Your Heart, that a large and full Harvest can be brought Home. *Amen.*

**January 7 - *Prayer:*** Lord, may we ever praise You for Your Wonderful Guidance of the human race, You, Who hundreds of years in advance chose the simple man Jesse to be the Father of the tribe of David, from which You brought forth Mary and Joseph, the Mother and Foster Father of Your Only Son. *Amen.*

**January 8 - *Prayer:*** Holy Angel, let our hearts become strong and courageous in the discipline of faith, that, without wavering, we may also walk the arduous roads of God's Dark, Demanding Love, always faithful and humble, loving and ready. *Amen.*

**January 9 - *Prayer:*** Holy Angel, what a consolation it is for us to know that you are waiting for us, for the times when we cannot go any further, that you help us in spiritual need and anxiety over the dark bridge, that through you we can again find the way into the heavenly House of the Father. *Amen.*

**January 10 - *Prayer:*** Holy Angel, how difficult we make your work! The metal, for which you care, is used by us to the greatest extent for murder. And the formation of our wills we leave mostly to self-idolatry. Help us, Holy Angel, to gain a bravery of heart and a tenacity of will, enabling us to be schooled under your hand and your hammer until we possess an unchangeable fidelity and can ourselves, with Sword and shield, defend God in us and around us! *Amen.*

**January 11 - *Prayer:*** Holy Angel of creative power, bind our hands, that we may willingly submit ourselves to be recast with the chisel of God, and become what the Lord wants us to be. *Amen.*

You know better than we what will avail our Eternal welfare, for You make all things rights. *Amen.*

**January 14 - Prayer:** You Angel of the home, you who protect our homes and like a guide as well point the way with your uplifted hands to our Eternal and only home, behold the thousand-fold crying and affliction of all the homeless and oppressed! **January 16 - Prayer:** O Truth of God, showing yourself behind this protecting Angel, may we also be true as a child, ready to sacrifice like a priest, and inexorable in self-discipline like the Holy Angel, who is charged with investing you, O Truth of God, in the roots of all things. *Amen.*

**January 17 - Prayer:** Lord, take from us all false mysticism, which originates in our desire for esteem, and grant us dark faith, dark hope, and dark love. *Amen.*

**January 18 - Prayer:** O Mary, above this gate it is written of you: “Tower of David, Queen of the Apostles, Mother of the Holy Church”; at the hand of the Holy Angels let us also become like firm pillars for the Holy Church, that we may carry her upon our shoulders and defend her, and that she may once carry us into Eternal beatitude. *Amen.*

**January 19 - Prayer:** Holy Angel, you who present to us in the crown that you carry the virtues and beauty of Mary's soul, bestow on us the Grace wholeheartedly to imitate these virtues, and by our example, show others how to live, how to love, how to sacrifice and how to die. *Amen.*

**January 20 - Prayer:** Lord, when we grow small in our faith, because we have been short-sighted in spirit since birth, then send us this great Angel with his clear, silent light, that he may take us with him silently into the depth of the truth of faith, and thereby anchor and strengthen us. *Amen.*

**January 23 - Prayer:** Lord, let the glow of Your Holy Angels enkindle our hearts, and let a throne be prepared in them for Mary and Joseph—a throne of Your Love. *Amen.*

- *Prayer:* Mary, Virgin, Mother, and Queen, with all the Angels and Saints, we wish to greet you and praise you for the brilliance of your virtues, now and in all Eternity. *Amen.*

**January 24 - Prayer:** Lord, in compliance with Your admonitions, we want to read and re-read Holy Scripture as the book of all books, that through its wisdom we may be strengthened, and through its love we may be enkindled. *Amen.*

**January 25 - Prayer:** You brilliant Angel of priests, assist our pastors to attain such a loving fervor, that they may shine as you do before the Face of God, and become corner-stones, like St. Paul was and is. For then, the tempests of the world will not prevail against them. *Amen.*

**January 26 - Prayer:** Lord, let the great laws of the universe have their effects also in us. Let them form us and give us a sure ground upon which You may build Your house, and yet give us such an impulse that we may draw the entire cosmos into the heavens with us to You. *Amen.*

**January 27 - Prayer:** Holy Angel, may our hearts also be purified by the flames of love, so that they may be pure and be a tabernacle for the Lord. *Amen.*

**January 29 - Prayer:** Let us, O Lord, through Your Holy Angels, escape the confusion of our times, and find our way home into the glory and harmony of Your Kingdom for ever and ever! *Amen.*

**January 31 Prayer:** Great and Holy Angels, stand by us in the battle against the powers of darkness, hold the shield of faith over us and hand to us one day the palm of victory. *Amen.*

## **FEBRUARY**

**February 1 - Prayer:** Mary, our Mother, and Queen of all the Angels, you are the Mother of Beautiful Love and the Mother of Mercy; you have everything in the measure that most pleases God and are thereby the very mirror of Justice. Teach us to love the Justice of God and to grasp the hand of the Angel of Justice and hold us in the judgment, that we may be caught up by the Love of God and saved for Eternity! *Amen.*

**February 2 - Prayer:** Lord, do not judge us without having heard Mary, our intercessor. For the sake of Your Holy Angels be merciful with us in Judgment, that at their hands we may praise You. *Amen.*

- *Prayer:* Have Mercy on us, O Lord, for we live in darkness; send us Your Mother Mary and Your Angels full of light and force, that the light may dawn about us, and we may be able more and more to know Your and to praise You. *Amen.*

**February 3 - Prayer:** Good and helpful Angel, take care of this misery of mankind, and lead the children back again to the family, and the family back again into a home, and lead them all into the Eternal Home, where their tears will be dried and their wounded feet washed. *Amen.*

**February 4 - Prayer:** Lord and God, let us not be judged by Your Holy Angels, but let us be saved by them and placed at Your right Hand! *Amen.*

**February 5 - Prayer:** Who can either measure or exhaust You, You Holy, Mighty, and Ever-Living God! Deal with us according to Your Justice, and we shall hear the Divine “Let it be!” in our hungry souls; and since our souls are the least of all, this Divine “Let it be!” will make them into thrones of the merciful Love of God. *Amen.*

**February 6 - Prayer:** Great and Holy Angel, let us not calcify inwardly from pride, narrow-mindedness and coldness of heart! Let all the assaults of the world become mortar in our hands, that we may build with these stones thrown at us by the world an Eternal home, a house which the Lord Himself may bless and in which He may live. *Amen.*

**February 7 - Prayer:** Lord, Divine Judge, be merciful to us! Holy Angels, stand by us; let us be promptly purified through you, so that we may be able to stand one day before God in Judgment. *Amen.*

**February 8 - Prayer:** Saint Joseph, Guardian and Patron of the Holy Church, place your Angels at our side, that we may be found in the proper measure before the Father. *Amen.*

**February 9 - Prayer:** Holy Angel, we beg you, carry before God above all our longing and our will to please the Lord, and when you look upon our sins of sloth and indifference, falseness and self-seeking, do not forget our earth-bound weakness, which makes us indeed sigh and cry out, but does not make us rise or even fly toward God. First pour out the Mercy of God over us like a light, and only in this light let our works be seen by the Eyes of our Lord and God, as we offer them, trembling—and pray for us, that the Lord may be gracious to us. *Amen.*

**February 10 - Prayer:** Lord, You are great and Mighty in Your creatures, Your Words and works. We want to hold up to You our Burning hearts in all wake-fulness, when You come, whenever it may be. With your Angels and Saints we want to praise You for ever and ever. *Amen.*

- *Prayer:* Great and Holy Angel, you who pleadingly offer up for us the love of our Savior! Implore for us the Grace to believe in our petitions, to hope and trust in the unending love and solicitude of God, and to be content with what this love and Divine solicitude grants us, for it is love. *Amen.*

**February 12 - Prayer:** You, O Lord, are true. You will Seal us against the infernal attacks and grant us to grow and prosper and bring forth fruit for You, You our Lord and God! May you be praised in all Eternity. *Amen.*

**February 13 - Prayer:** Shelter us, Holy Guardian, that the Abyss of hell may not be opened before we are safe in the House of our Heavenly Father; and before the Angels with the trumpets stand ready, proclaiming the end of all fighting. *Amen.*

**February 14 - Prayer:** Lord and God, send us Your good Angel, that he may add his power to our will, for we ourselves are too weak, cowardly, and indolent to put our small bit of will into action. Give Your Angel a Sword in his hand, or a scourge, so that we in our

sluggishness may perceive him. Grant that he may strike sparks from the stone of our hearts, and that we may glow towards You in our wills, so that You will not have squandered in vain Your Love on us so much. We want you, O Lord, You and only You for all Eternity. *Amen.*

**February 15 - Prayer:** Be sharp with us, great Angel, we beg you, and also vigilant, that not a square foot of ground from God's possession be lost. *Amen.*

**February 16 - Prayer:** Holy Angel, help us to persevere in patience, that one day we may share in the Mercy of God. Let us not give up hope when our efforts and our toil on earth appear futile. Bring us to a generosity in giving, for-bearing, and sacrificing, until God calls us. *Amen.*

**February 17 - Prayer:** Holy Angel, with the power of faith, you intercept souls and save them from Eternal damnation. Stand also for us poor sinners when we fail, that we may not fall into the Abyss; we would well have deserved it, had God not been so good, so infinitely good, and had we not had Mary, the Lady of Heaven, as our Mother. For the sake of this Mother, your Queen, let no soul be lost. *Amen.*

**February 18 - Prayer:** Be the heavens themselves colored with blood in the conflagration of the world—you, Holy Angel, will lead us out, just as the Israelites were once led through the Red Sea in the security that comes from God. *Amen.*

**February 19 - Prayer:** Good and faithful Angel, in the darkest hours of our lives, show us our home in the Heart of our Lord when our own hearts are threatening to break. Help us to stand back up when God wants us to carry our Crosses further. Guide our gaze to that place where all tears will be dried and all suffering will find its end—our Eternal home in God. *Amen.*

**February 20 - Prayer:** Lord and God, give us the time to thank you, for one human life is hardly time enough. Let us thank you forever for the healer of pain, our Mother Mary! *Amen.*

**February 21 - Prayer:** Holy Angel, you who lift up those who are bowed down by making the Incomprehensibility of God again bearable for them, and by securing for them the comfort and strength of the Holy Spirit, be by us when it grows dark around us, that we may not lose sight of the light of love which you carry, and may find the way into the Father's House. *Amen.*

**February 22 - Prayer:** Warn, great Angel, and do not desist, I implore you, until I myself stand safe at the door of the Father's House. *Amen.*

**February 23 - Prayer:** Holy Angel, take away our half-heartedness and weakness, and make us stand fast like the Thrones, the Angels of life. Help us, day and night to carry the deposit of faith like a Burning torch through the world, and to guard it, until we are able one day to lay it back in the Hands of the living God. *Amen.*

**February 24 - Prayer:** Glorious God, let us adore You in Your creatures, the Holy Angels; and may You be adored and praised by them and through them, by us, in all Eternity. *Amen.*

**February 25 - Prayer:** Lord and God, help us through Your urging Angels, that we may be freed from our hardness of heart and our indolence, that we may see You in the orphaned children, and receive You and serve You in them, and thereby win Your Mercy. *Amen.*

**February 26 - Prayer:** Holy Angel of God, make our love burn towards God, ever tender, pure, and untouched by every worldly love. *Amen.*

**February 27 - Prayer:** We kneel wretchedly before you, Holy Angel; how far we are from being incense and perfume before God! But help us, that our lives may not be in vain, and that our weak stammerings be taken in and accepted by the infinite Mercy of God. *Amen.*

**February 28 - Prayer:** Holy Angel, knock with your baton upon our souls, that we may praise with you; and that in purity and clarity we may offer to the Glory of God the one tone which we have to sing, as jubilation, thanksgiving, and praise. *Amen.*

**February 29 - Prayer:** Holy Angel, though your symbol is frightening, because we ourselves have often betrayed the Lord through our unfaithfulness and cowardly sold Him out of human respect, your eyes are kind and your voice is warm. Lead us to the Mercy of God, to the gate of forgiveness. Cast our hearts into the furnace of God's Love; help us discern, repent and atone for sins, help us to fight for God and Mary. *Amen.*

## MARCH

**March 1 - Prayer:** Lord, You have placed us between two Angels: here, the Angel of calling, who holds You before our eyes, and there, the Angel of answer. Grant that between these two Angels we may stand before Your Countenance! *Amen.*

**March 2 - Prayer:** Great Holy Angels, never will we be able to fully understand you, nor to imitate your deeds; still we ask you to cast light on our way to God, that we may not go astray; and grant us clear vision and courage, but also a patience which will last to the very end. *Amen.*

**March 3 - Prayer:** Lord and God, You give Yourself to us daily in unfathomable condescension and forbearance, and whenever we receive You, You become our possession—our radiant possession for all Eternity. You have provided in love that we can stand with our possession as Your people before the Eyes of Your Father and the entire heavenly court. O God, how can we ever repay You for what You have done for us? Let us thank You and praise You! *Amen.*

**March 4 - Prayer:** Mary, Heavenly Mother, for you, no depth is too deep, no distance too far to take under your sheltering Mantle and in Your gentle arms all the freezing souls hungering after God. I desire no better fate than the others; but, O Mother, praise the Lord for me, love O Mother, the Lord for me, and pray that the Will of God be done unto me. *Amen.*

**March 5 - Prayer:** Angel of God, when it becomes dark on earth, preserve us from the menacing assaults of Godlessness. Enclose the Love of God in our hearts and our communities and Seal it there, that

it may remain with us, till God Himself opens the Gates and brings us Home. *Amen.*

**March 6 - Prayer:** Holy Angel of humility, fight day and night against our pride, so that, when God wants to enter into our heart, He may find us conquered and nothing but his complete possession, and that He may abide in our hearts as Conqueror for all Eternity. *Amen.*

**March 7 - Prayer:** Lord and God, accept the “non sum dignus” of our souls, and fill them with strength to carry into creation only You, You Who are everything. *Amen.*

**March 8 - Prayer :** Almighty, Triune God, You Who are Wisdom, Love and Mercy, let us adore and praise You through Mary and all the Saints and Angels in Eternity. *Amen.*

**March 9 - Prayer:** O Love of God, be the blaze that reduces my self-will to ashes; be the hammer that shatters the hardness of my heart; be the ocean that swallows up my self-love that it may never emerge again! And you, O Power, force me to the ground and lay the yoke of love upon me, and I will thank you for all Eternity! *Amen.*

**March 10 - Prayer:** Great Holy Angel of the northern countries, teach us Holy abandonment, as God wills it for us—the abandonment which has left all things for the sake of God, and which despite all activity, is ever resting in God. *Amen.*

**March 11 - Prayer:** Holy Angels of the Passio Domini, tear off all our self-righteous garments and masks, that we may stand before God in our true form as sinners, guilty of our Lord’s Blood! Holy Angels of the Passio Mariae, spread over us the merciful MANTLE of Mary, that the intercession of the Mother of Sorrows may be our wedding garment. *Amen.*

**March 12 - Prayer:** Lord and God, through Your Angels and Saints, You have shown us the way in Word and Love; grant us the strength to go this way in humility, in faithfulness, and in the sign of the Cross, which for us is salvation and Redemption. *Amen.*

**March 13 - Prayer:** Lord, give me the strength to love doubly for all those who love You too little, to be doubly faithful for all those who

have broken their fidelity, and to gladly carry Your Cross for those who have cast their crosses away. *Amen.*

**March 14 - Prayer:** Keep safe our hearts and our tongues, Holy Angel, that we may think and speak in purity, and that our deeds will not be thrown out by God as unsavory salt. Obtain for us the Grace of tears of contrition and help us find Grace before God through the tears of Our Lady of Sorrows. *Amen.*

**March 15 - Prayer:** You Queen of all the Angels, Mediatrix of Grace, do not forget us when we are called before the Judgment of God. Help us, that the Grace of God may find a home in our souls, and through it we may be allowed to experience the Kindness of God. *Amen.*

**March 16 - Prayer:** Lord, Almighty God, You who have chosen wood for Your Sign of Victory, through the Angel who guards over all wood, bring us to love the wood of the Cross and let us take this Cross upon our shoulders with gladness. Let us remember that cradle, Cross, the table on which we eat, and the casket in which we will one day be laid, are all made from wood. *Amen.*

**March 17 - Prayer:** Lord and God, You will that we receive into ourselves Your beauty and harmony, and that we live them and carry them into our daily lives; grant us the strength to bring them back to You immaculate and undamaged, like our nuptial garments, despite all assaults of the enemy, who wishes to reduce us to a scornful mark of disharmony. *Amen.*

**March 18 - Prayer:** My Lord and my God, You have said: “When you want to pray, go into your chamber.” Our chamber is the heart, and our Prayer should always come from the heart and not only from the lips, for the lips are the streets that reveal everything. Give us the Grace, Lord, that Your Angel may put the love of hidden adoration into our hearts, that our hearts may always rest in Yours. Let our hidden adoration become a fructifying spring for all those afflicted parts of the earth in which public adoration of the hidden God is prevented, and where adoration lives on only in hiding. *Amen.*

**March 19 - Prayer:** Holy Joseph, quiet and unassuming provider for the Holy Family, how greatly God singles you out before all the Angels and Saints, having an Angel of the Holy Spirit hold forth the beauty of our soul as answer to God. Cause the light of your soul to come to us over the Angels, that with peace and certainty, we might follow your path of simple duty. *Amen.*

**March 23 - Prayer:** Holy Angel, let your Words on the passion and death of our Lord be warning and direction for us, that we may one day be able to rise in the jubilation of Easter. *Amen.*

**March 24 - Prayer:** Holy Archangel Gabriel, help us to attain integrity and readiness; help us to be a place of rest for the Lord. *Amen.*

**March 25 - Prayer:** Lord, grant our senses the power to recognize what You want from us, and grant us now, at the hand of Your Angels, the power to speak our “Fiat mihi,” as Mary once did in Nazareth. *Amen.*

- *Prayer:* Great and good Angel, “Eye of God,” we beg you, do not give up your work of opening our eyes and our spirit to the clear vision of Eternal things. *Amen.*

**March 26 - *Prayer:*** O Holy Angel of Nature, cause us to see the creation around us in the proper light of God, in measure and in order, that we may use what God wants us to use, and in and with His Creation, love and praise Him with all our heart. *Amen.*

**March 29 - *Prayer:*** Great and Holy Angel, teach us reverence before those helpless creations of God which are given over into our hands. Teach us the proper measure in the management of all the building materials of nature, that all things may correspond to the Will, the Glory and the Love of God. *Amen.*

**March 30 - *Prayer:*** Holy Angel, help us to carry life, to carry the Cross, and to bear God in all the demands of His love. *Amen.*

**March 31 - *Prayer:*** Holy Angel of God, teach us fortitude at the fitting time, and spare us not, so that in the hour of trial we will be able to persist, according to God’s Will, to His Glory and in His Love. *Amen.*

## APRIL

**April 1 - *Prayer:*** Lord and God, Author of all peace, You strike indeed with the Sword, but then You also heal the wounds, that we man be renewed in Your Love and in all peace, gain Your reconciliation. *Amen.*

**April 2 - *Prayer:*** Holy Lord and God, we implore You, for the love of Mary and all the Angels and Saints, grant us the Grace of

perseverance, that we may stand fast in our faith, our hope and our love, and that we may endure until the day when You come to bring us Home. *Amen.*

**April 3 - Prayer:** Holy Angel! Only he who is capable of calling you beautiful in your powerful task knows the absolute Sovereignty of God. Effect for us the Grace, Holy Angel, that we may never hear from your mouth the Word that you carry, but that we may be able to speak it ourselves against every temptation and affliction of the infernal powers of darkness, with your knowledge and with your power. *Amen.*

**April 4 - Prayer:** Merciful God! Let our wretched lives and deeds lie under the protecting eyes of Your Angels, that we may not be lost, but instead, be brought Home as a “small prize.” *Amen.*

**April 5 - Prayer:** Great and Holy Angel, shovel away from our souls all that is worthless to God, even if it leaves them naked, that we may be able to put on the clean garment of God’s Mercy and be allowed to appear before Him. *Amen.*

**April 6 - Prayer:** Although you burn and cut, Holy Angel, it is in grandeur and power that you show us the goal for which we long—God, our Lord! Do not cease your work, until we have become what God in His love wants us to be! *Amen.*

**April 7 - Prayer:** Holy Angel of God and powerful intercessor, touch our souls with your hand, that the immensity and power of the Incarnation of the Son of God may give us some idea of the immensity and power of His Act of Redemption; that we may take into ourselves the Words of our Lord, like a plowed field receives its seed. Make us keen of hearing, you Power from God, so that we may not sleep through the waking call of the Angels, but instead may be allowed to await this “Become!” to Eternal Life and beatitude. *Amen.*

**April 8 - Prayer:** Lord, let us recognize You and love You in our Angels. Grant us the Grace always to adore You and to love You, for You are our only treasure. *Amen.*

**April 9 - Prayer:** My Lord and my God, send us the help of Your Holy Angel, that we may learn already now to renounce ourselves, so that when death and Judgment come, we will be already dead for the dragon, but redeemed and alive for Eternity. *Amen.*

**April 10 - Prayer:** Holy Angel of God, you see into our very hearts; help us, that in our hearts a Song may always be sung; and that, however wretched this Song may be, it may nevertheless sing a loving canticle to the Child that lies in Mary's arms, the salvation and Redemption of us all. *Amen.*

**April 11 - Prayer:** Holy and charitable Angel, let us experience your power and your mildness, that we may yet be healed and purified for the journey Home, before the flames of Judgment announce the end of God's forbearance. *Amen.*

**April 12 - Prayer:** Holy Angel, you console us on our pilgrimage; let your bells also ring in our hearts with the new Song you play. It should echo the Song of the bells played by our beloved Mother Mary in Her solitude. In all the quiet hours, they should sound out over the boundaries of this earth to the One. For love of Him, we shall bear all solitude, so that one day we may be united to Him for all Eternity. *Amen.*

**April 13 - Prayer:** Holy Angel of Grace, you call yourself the "Angel of Flowers;" let our souls compete with the bearers of beauty outdoors in blossoming before the eyes of God. Help us to make the constructive and strengthening Graces efficacious in us in the right way, that God may take pleasure in us. *Amen.*

**April 14 - Prayer:** My God and my everything! As You told the parable about the sower and the seed, You looked over all the millions of seeds which had fallen upon stony ground, among the thorns or under the footsteps of men. Each of us hearing this Gospel wishes that he may belong to those seeds which will bring fruit for Eternity. Everyone who has experienced Your Love in himself knows that You will divest Your seed of its hard shell, which prevents the penetration of Grace, and bind it to Yourself, causing it to be stamped into the ground and to die. And yet, Lord, that You let Yourself be bound

with us and trampled into the ground with us—this is truly the Love of the Lord! You said, O Lord: “He who has been forgiven more, will also love more.” And those who have been Loved by You, as we have been Loved by you, will gladly die for You. Lord, let me be Your seed! *Amen.*

**April 15 - Prayer:** Let the Love of God fall upon my soul like a storm, tearing away all that is withered and broken! Open my soul for the Love of God, even when it means sacrifice and pain! The Love of God is worth every sacrifice. *Amen.*

**April 17 - Prayer:** Holy and strong Angel, please protect my little cell too, that only Angels may dwell there, and the little bird “Praise-God.” *Amen.*

**April 18 - Prayer:** Holy Angel, you who stand under the Seal of the left hand of the great Angel of Contradiction as avenger of all imprisoned and oppressed, protect us from all the horrors of war and the claws of Godlessness, and lead us to the right side of the Eternal Judge. *Amen.*

**April 19 - Prayer:** Heavenly Father, You Who have connected thanksgiving with the symbol of a key, that we, in giving thanks, may again bring our petitions, we ask You for the Grace of being able ever better to hear and understand Your Holy Angels, that we may always do that which is Your Will, and in the way that You desire. *Amen.*

**April 20 - Prayer:** Great and Holy Angel, in order to gather in the sheaf for God, you bring to man full of ardor the sober Love of God from Judgment; you separate the chaff from the wheat. May our sheaves be entrusted to you, that they be presented to our Lord and God with our lives and our good will. Screen off all attacks of the enemy and let us become a good harvest for God. *Amen.*

**April 21 - Prayer:** Lord and Almighty God! Let us praise and adore You with the Holy Angels; and let us today be sheltered in you and be secure in the glad certainty of Your Love. *Amen.*

**April 22 - Prayer:** Holy Angel of the sacrifice of blood, take our blood and life into your bowl to the Glory of God. Let us burn for love; we would rather wear the crown of thorns and suffering on earth than strive for earthly power. Break our self-will and present us to the Lord as a sacrifice. *Amen.*

**April 23 - Prayer:** O Holy door-opener to the House and Heart of God, let us not lose our way, and let us never lose sight of the light which breaks through you like a lamp from the Father's house. With your power, help us to fill our lives with God and to victoriously withstand all trials, that you may one day open the door for us and we may be at Home forever. *Amen.*

**April 24 - Prayer:** "Lord, I am Yours! If You want me to be, then I am! If You want me to call, then I call! If You want me to be silent, then I am silent! If You want me to fight, then I fight!" *Amen.*

**April 25 - Prayer:** Lord, You show us the magnitude of Your creatures, that we might recognize in them to what depths You have condescended to us. We can only weep before Your Countenance, for we are not even worthy to conceive of Your humility and self-renunciation. *Amen.*

**April 26 - Prayer:** Lord and God, when You speak Your Word to us, let us who hear it, "hold it fast in an honest and good heart, and bring forth fruit with patience," as Mary did. Let us hear the voice of the Angel, who carries the connecting Word from You to us, and let us perceive it every time with a recollected heart, giving him the only answer—our entire lives. *Amen.*

- *Prayer:* Holy are You, Lord, You who have made the great and the small, the flowers and the light, You who have made our hands, that we may let them be bound by You, and our hearts, that we may give them over to You. *Amen.*

**April 27 - Prayer:** You great and Holy Angel, standing behind John, all prophets and founders of orders, with your face hanging like an eagle, motionless upon the Face of God—you have a book with a single Word: God. Everything is contained in the Word. Let this Word also be everything to us—light, life, direction, fulfillment, and goal. For it we have God, we have everything. *Amen.*

**April 28 - Prayer:** Holy Angel, you show us the beauty of God like a flaming heaven, like a sea of blessedness; but under the veil of mystery is not the Blood of Christ and the Most Holy Bread also full of unfathomable beauty? *Amen.*

**April 29 - Prayer:** Holy Angel, Holy Angel of Energy, make our heart like flint against the enticements of the evil one, but like an atomic nucleus, filled with love, toward God. *Amen.*

**April 30 - Prayer:** My Lord and my God, my heart is Your field—and how often You have run Your plowshare through it! But now, through Your Angel, build Your Throne in this wretchedness, that, at the feet of him, I might praise You in all Eternity. *Amen.*

## MAY

**May 1 - Prayer:** Holy Angel of the Church, stand at the gate of every House of God with Mary, the Mother, and call us and bring us in! Ward off the demons of sloth, who make our work fruitless; ward off the demons of cowardice, who prevent us from confessing our faith; ward off the demons of time-squandering, who weaken our strength and our courage with their enticements. Draw us to the Mother, who brought us life, Jesus Christ, Her Son, our Lord, that with Her, St. Joseph, all the Apostles and Saints, we may praise the Father in Heaven, and in Him, the Triune God! *Amen.*

- *Prayer:* Lord and God! When Your great messengers call us to Judgment let the work of our hands, which we have placed under the protection of St. Joseph, not be worthless before Your Eyes; instead look upon the Mother of Mercy, the Refuge of Sinners, the Help of Christians, and for the sake of her Motherhood towards us, let Your Mercy be shown to us; let Your Mercy be our garment before the

Judgment-seat of God, and upon our brow, let Your Love be the sign that we are Your possession. *Amen.*

- *Prayer:* You Holy Angels who climb over the Heart of Mary to the Heart of God and then return to help us, let us always remain sheltered in your protection. *Amen.*

**May 2 - Prayer:** Lord and God, let us be taken under the protecting Mantle of Mary by the Angel of Yours. Although we feel Your Mantle of mockery in the disdain and hate of the world, we can never fall out of the safety in the power of Mary, who will open Heaven to us, and then we will be saved. *Amen.*

**May 3 - Prayer:** Lord, Your Love alone can save us sinners. Let Your Love flow over us through Your Angels, and let us submerge in Eternity in this Sea of Your salvation. *Amen.*

**May 4 - Prayer:** Almighty, Powerful, and Glorious God, from whose breath the Angel of joy and childhood before God has come, we thank You that You have appointed him as protector of our youth, our children, and our gladness. Let our love and joy, our readiness and enthusiasm be enkindled through him; let us drink from the fountain of Eternal Life out of his pitcher and become ever thirstier for You, O God! *Amen.*

**May 5 - Prayer:** You Holy Angel of Mary, you stand among us like a lighthouse amidst a sea of distress. Enkindle our hearts and let them never be extinguished in the love for God and Mary, just as your light will never be extinguished in all Eternity. *Amen.*

**May 6 - Prayer:** You great and Holy Angel with the triangle in your hand, uniting the fullness of love with the fullness of wisdom and the fullness of childhood before God to a wondrous chord—let this chord be heard by us, that we may follow it, until we find our way Home. *Amen.*

**May 7 - Prayer:** Holy Angel of purity and virginity, you do not stand before us as one who demands, who forces us to our knees and is beyond our understanding, even though we must admit that we are far from Holy purity. But you are close and dear to us, for you are a

child; help us to become children, pure, sincere, truthful, glad, believing and care-free in God. *Amen.*

**May 8 - Prayer:** Help us, you glorious and powerful Angel, help us and let us never stop out of discouragement and despondency, since we should move ahead in your strength. Let us never hedge due to cowardice and comfort, that we may reach the goal God has intended for us. *Amen.*

**May 11 - Prayer:** Help us, Holy Angel, to confess Christ through our lives, that we may be allowed one day to enter into the Heavenly Jerusalem as conquerors at the hand of Mary. *Amen.*

- *Prayer:* Holy Angel, Power before God, you protect and erect the Holy Church, teach us reverence for the Holy Church, for all her acts and all her representatives. Let us never forget that everything she does is performed before the Eyes of the Father. Let us use violence against ourselves, that we may always be counted among those who belong to the Holy Church and be justified with her. *Amen.*

**May 12 - Prayer:** O Lord, through Your Holy Angels enkindle in us the glow of Your Love and the flame of Eternal devotion, that again and again You may re-conquer the world in and through us, and praise the Father in Eternity. *Amen.*

**May 13 - Prayer:** Lord, Almighty and Eternal God! Let us thank You again and again for Your Mercy, that you have given to each one of us an Angel to be at our side as our best friend and helper. Let this great Angel, who stands before Your Throne in the name of all Guardian Angels, not fall upon us as corner-stone, as we stand

responsible for the pound You put in our hands for our management. Let the Angel be a light and flame to us, that he may snatch our hearts heavenwards to You, to be bound Eternally to You. *Amen.*

**May 14 - Prayer:** Great and powerful Angel! See how we solely consist of the contradiction of the broken creation! Help us to free ourselves from the captivity of sin and all the opposition of the world! Implore for us the love in which all the opposition of God is united and within our grasp. Lead us to Mary, your Queen, for she is Love itself, and the Highest Gift of God's Love to us. *Amen.*

**May 15 - Prayer:** Lord and God, in Your Unfathomable Love You show us again and again that the values of this world are not values before You, and that You have higher values for us: Holy silence, Holy obedience, Holy humility, Holy being unknown and misknown for Your sake. Let us understand and want what You, unfathomable God, have already shown us in Your Love in the life of Mary. *Amen.*

**May 16 - Prayer:** Holy Angel, you carry the water of Grace in your shining bowl and stand before Mary, our Mistress and Queen, like an Eternal lamp. Turn to the earth, which lies before the Eyes of God like a desiccated field, and send us the dew of Grace, so that the seed sown by the Holy Angels can grow and bring fruit and become a sheaf for the heavenly barn, to your joy and the praise of Mary. *Amen.*

**May 17 - Prayer:** Lord, through The Angel of storm, grant us a winged, wind-swift obedience, an over-powering faith that can move mountains and a glowing fortitude. Even in times of need, let us blow away the poisonous gases of hell like a storm-wind and free our loved ones! *Amen.*

**May 18 - Prayer:** Powerful and Luminous Angel! Let my senses be always open to receive the Word that you speak, to keep it in silence in my heart, as Mary did, and to live and die according to this Word. *Amen.*

**May 19 - Prayer:** Great and Holy stewards of Mary's Empire over all of creation, let this Empire come to exist also in our hearts; let us at least look upon the sevenfold Crown of Mary's glory, for in our wretchedness we are not permitted to carry it; yet let us praise and

glorify it with all our soul. Invest all of your powers for us that each of us might take on the form in our interior lives which corresponds to the Dominion of Mary to which our Guardian Angel belongs according to the Plan of God. *Amen.*

**May 20 - Prayer:** Great and Holy Angel, teach us reverence for every House of God and every place where God Dwells. Teach us Holy silence, you great and silent Angel! Teach us to love the Folly of the Cross and no longer to flee from it in order not to be found wanting one day. Let the place of our Prayer and our work become a Holy place where you prepare a throne for the Lord. Teach us to stand firmly and become strong through you, that we may praise and glorify our Lord. *Amen.*

**May 21 - Prayer:** Lord, my field and my heart are Yours; let the plowshare of Your Love pass over both of them! *Amen.*

**May 22 - Prayer:** You great and Holy Angel! Point your Sword at our hearts, that through you they be opened for love and never again closed. Make our love strong like death and forgiving and understanding, like the love of the Mother of Jesus was, and take us Home in your red mantle, as a harvest-gift of love for our Lord and God. *Amen.*

**May 23 - Prayer:** Mary, Most Pure and Glorious Woman, your Goodness, your Courage for sacrifice, Your Mercy, your Glowing Love, your Strength, Your Loveliness and your Wholeness radiate from the chalice of this shining Angel like a seven-fold halo about the Divine Bread. O Mother, reconcile us with the Father, the Son and the Spirit, and let us be Eternally saved and sheltered through your Sacrifice of reconciliation. *Amen.*

**May 24 - Prayer:** Lord, when these last terrible days are finally upon us, let Your Holy Angels be our help and our salvation; have them bring us Your Love and Mercy, for in the face of Your Justice, we should never survive. *Amen.*

- *Prayer:* Lord, let us wake up through the Power of the Angel, who knocks on our hearts with the most loving and kind of all Words of courtship, the Divine “Come!” Give us the Grace never to ignore this

Word, that You may not one day ignore us, when we stand at the Gate of Heaven asking for admittance. *Amen.*

**May 26 - Prayer:** Holy Angel, work on our lives and do not let up, until our face bears the Face of Him, to Whom we wish to belong for Eternity—Jesus Christ. *Amen.*

**May 27 - Prayer:** Mary, our Heavenly Queen and Mother! These twelve Angels of special service to You before Your Throne stand like a Crown of twelve stars about Your head. You are forever sending them out to save and bless us; they bear Your Motherly Love and Solicitous Help into monastery cells, sick-rooms, to scholars as well as manual laborers, to mothers and to hidden fighters for the Kingdom of God—to all parts of the earth. Today, however, you send them forth as our special intercessors before the Throne of Almighty God. O Mother! Add Your Power to theirs, that their intercession may be especially effective, and with Your Blessing, and in faithfulness and perseverance, we may be able to conquer the afflictions and difficulties of our lives. *Amen.*

**May 28 - Prayer:** Holy Angel of transformation, knock on our cold and hard hearts, and do not give up until we open ourselves to you, that Grace may enter us. - *Prayer:* High Angelic Holy Angel, teach us delicate and modest love for God and Mary, which, like an untouched blossom, awakens the delight of God; petition for us the Grace of being able one day to look upon Mary in your splendor and with your eyes. *Amen.*

## JUNE

**June 1 - Prayer:** Holy, Mighty, and Immortal God, You descended into the darkness; through Your Angel and Your Mother, whom You have given us as our Mother, let us be lifted up to the Heart of the Queen of Heaven, that from there, Her hands may lay us into Your Divine Heart, O Jesus our Saviour. Come, Lord, come! *Amen.*

**June 2 - Prayer:** You are praised by the mouths of children and the poor, O God! Let us learn from this Holy Angel of the sacrifice of praise, to make our entire life, our Words and our deeds, a perpetual sacrifice of praise to You. *Amen.*

**June 3 - Prayer:** O benevolent Angel of the simple being of God, how simple you look, and yet how difficult it is for you to apply your gifts. Everything in us bristles up against you: We want to glitter like many-faceted crystals—we want to be of value—we want to have read everything, seen everything, and done everything! And in the midst of all this we forget the absolute simplicity of being before the Face of God! Teach us to know poverty of spirit in the right light. Give us the Grace to crave the simple being of God and to want nothing else but God alone. *Amen.*

**June 4 - Prayer:** Lord and God! Burn and cut now in the time of trial, and smelt us into the proper form, that we will one day be able to stand before Your eyes and be freed from the Eternal fire. *Amen.*

**June 7 - Prayer:** Mary, Mother of all Graces, Mother of Mercy, for the sake of Your Son's Blood and Wounds, let us not be lost in the last hour, and be struck dumb before God. *Amen.*

**June 8 - Prayer:** Lord and God! Station Your Angels and Guardian Angels, Your Powers and heavenly Virtues around this focus in the battle for the Kingdom of God, that Your Cross might stand in the center as a Sign of Victory. *Amen.*

**June 9 - Prayer:** Holy Angel of meekness! Teach us the bravery of the meekness of Mary, which did not distinguish between the pleasant and unpleasant, between the agreeable and unagreeable, and who, through Her meekness, became the guide for all victim souls, martyrs and confessors, and who is the first to be called to follow the Lamb to the throne of the Conqueror. *Amen.*

**June 10 - Prayer:** Holy Angels of the tabernacle, lift me up seven times when I fall seven times, and forgive me seven times seven times for the love of the Lord, Who waits for me here and is MERCIFUL again and again. When I leave the tabernacle and pass on to my daily work, give me so much strength, that the thought of the Lord never ceases and fires me on to Eternal adoration. *Amen.*

**June 11 - Prayer:** Lord, let us see You in every sacrifice, and therefore love every sacrifice, for in sacrifice, we can fight with You against ourselves. *Amen.*

**June 12 - Prayer:** Great and Holy Angel of devotion, teach us anew the silence that the world has forgotten! Teach us to conquer evil through the Love of God; teach us joy in hidden sacrifices, in hidden devotion, which no one knows but God alone. Let us use violence against ourselves, and pray for us, that the Lord may imprint His Face upon us, as he once did for Veronica. *Amen.*

**June 16 - Prayer:** Lord and God, You are great and powerful in Your creatures, Your Angels, who carry the Mystery of the Trinity into creation in a thousand reflections. *Amen.*

**June 17 - Prayer:** Lord and God, how carelessly we live our days, with no thought of Your Words: “Nothing is concealed which shall not be revealed,” and “Make use of the Day, for the hour is coming, when no one will be able to work.” We beg You for forgiveness, that through our vain Words and many other sins, we have so often caused the praise of creation to be out of tune. Help us, you great and Holy Angels of God, that starting today we might do better, that our praise might grow ever more similar to yours. *Amen.*

**June 18 - Prayer:** Lord, You Reign over all of Heaven! Look with Your Eyes into my poor, barren heart and make it live and blossom for You. May You find in my heart the ultimate measure of my love for You, Great, Wise, and Glorious God! *Amen.*

**June 19 - Prayer:** Dearest Father in Heaven, let us hold fast to the Angel and learn from him the carefreeness, trusting, and gladness of a child, and jubilate to You, Father, to You, dearest Lord Jesus, and to You, Holy Spirit, today and forever. *Amen.*

**June 22 - Prayer:** Lord, through Your Holy Angel, grant us the Grace to be able to open ourselves to Your Word, Your Love, that we might obtain Eternal Life. *Amen.*

**June 23 - Prayer:** Lord and God! Your fidelity never lets Your Mercy run dry or Your Love cease. Teach us wonderful fidelity through Your Angel, that we may stand fast in Your Church like Pillars and be support and direction to You for our fellow men in the severe storms of these times. *Amen.*

**June 24 - Prayer:** Lord, You had St. John say of You that You will baptize with Fire and the Holy Spirit, and we know from Your mouth, that every tree that brings no fruit will be chopped down. Your Angel stands here as a sign of God's Covenant with the Church and yet carries a shovel in his hand to show that he must purify the threshing-floor of God when the wheat is brought in: Let him be a helper to us and not an avenger! Let us be wheat under the guidance of Your Angels, and not one day be rejected as chaff. *Amen.*

- *Prayer:* Lord and God, Your Word became flesh to save man and make him Eternally blessed; let the Angels of Your wrath pass us by, for we bear Your Blood, Your Cross and Your Love on our foreheads, our hands, and in our hearts, and we cannot be separated from You. *Amen.*

**June 27 - Prayer:** Great intercessor before the Throne of God! Intercede also for us, that through the Precious Blood of our Lord and through our Mother Mary, we might receive the help we need. *Amen.*

- *Prayer:* My Lord and my God, with shame we must confess that we only know a fraction of Your Word, and have scarcely learned a tenth of the Holy Gospel by heart; we are not even so well read in the Bible as the Scripture scholars and Adventists. Grant us, through Your Angel of the Gospel, the power to esteem and love Your Word, and to meditate upon it again and again, that we might order our lives according to it alone, and through the Light of the Gospel, transmit this Word to others for the enlightening of our darkened age. *Amen.*

**June 28 - Prayer:** Great Angel, stand near us in the affliction of the Cross, that we may not lose our line of sight, that our eyes may cast their last glance upon the Cross of our Lord and His Love and that our Cross might be our Sign of victory. *Amen.*

- *Prayer:* O Holy Angel, your voice is like a deep, warm bell; let its sound never again die away in my soul; let me remain awake through you, that when the Bridegroom comes, I may go to meet Him with my lamp. *Amen.*

**June 30 - Prayer:** High Holy Angel of the Answer of loving men to the Loving God, you will one day extend the Rainbow of the Eternal Covenant and Eternal peace over the Throne of God and the New Jerusalem; let us also stand beneath this Rainbow, and let our answer to God be taken by you and be pleasing to Our Lord and God. *Amen.*

**July 8 - Prayer:** Lord, let us be children, so much children that we gladly and naturally grasp the hand of the Angel with the lamb, and let ourselves be led by him, for he works assiduously to put together the broken pieces in our hands, until Your image appears. *Amen.*

**July 11 - Prayer:** Lord and God, Who died on the Cross for me, Who became the sacrifice of Your Love for my salvation, give me so much love by the hand of Your Angel, that I be capable of making every sacrifice for You and, out of love, be able to become the sacrifice of Your Love. *Amen.*

**July 23 - Prayer:** Holy Angel of all pains and all affliction, help us to recognize through your power the Love of the Father which strikes us. Help us, in the Power of the Son, to say yes to all suffering and offer it to God. ## AUGUST

**August 1 – Prayer:** Lord, how close loving contrition is to Your Heart. He who is forgiven more, also loves more. O do not count me among the Pharisees, who do not need forgiveness; let me be instead a publican, disdained by the others, but full of repentance, that I might cry over my sins out of love for You and so receive Your Love. *Amen.*

**August 2 – Prayer:** Great, Glorious and Powerful God. King of Heaven and earth! How wonderfully You reflect Yourself in all Your creatures! May we reach You with our weakened faculties and become a reflection of Your unending Mercy! *Amen.*

**August 6** – *Prayer:* Almighty and Eternal God! We kneel trembling before You as we look upon this Holy Angel—reveal him to us as an Angel of love, that he might love us as tenderly as You Love us, and that we might then be able to love him as an intercessor and brother. *Amen.*

**August 12** – *Prayer:* Lord and God, again and again, You give us shining examples in Your Holy Angels, who show us the meaning of our lives and our glorious goal. Grant us, O Lord, the Grace not only to rightly understand these Angels, but also to follow their warnings. Grant us through the Angel the Grace of a winged and Holy obedience, which is daily nourished anew through the Holy Eucharist, and brought to Your Glory and good pleasure by our Angelic patrons. *Amen.*

**August 13** – *Prayer:* You quiet, hidden, Angelic Holy Angel—hidden like the readiness for sacrifice of mothers and religious. We do not want the linen for our wretchedness, but rather extend to us the offering plate, that we might lay upon it what God wants from us: our heart. *Amen.*

**August 14** – *Prayer:* Great Angel, the wisdom of God which created you and caused you to be shackled, is just as unfathomable as your crystal-clear eyes. It shall be our nourishment and our light. Pray for us that we might be allowed to draw from this wisdom. *Amen.*

**August 17** – *Prayer:* Lord and God, when it becomes dark around us in abandonment by God, give us the Angel as light, that the thought of atonement may lift us up to Your Cross. In the Cross is our support, and You will also speak the Word of victory over us to the Father: “It is Consummated!” *Amen.*

**August 18** – *Prayer:* Lord and God, often we have not only one wall of stone, but several standing before our soul, preventing Grace from awakening us and letting us see; thus our self-will retains its unchecked domination over us. O Lord, through Your Angels, let us be freed from this great blindness and folly and let us be restored to Eternal Life through the tears of the Heavenly Mother. *Amen.*

**August 19** – *Prayer:* Holy Angel of virtue, carrying order in love, obtain for us from God the measure according to which we must order our lives and our love—a measure that is adapted to our weakness for we shall never attain the Measure of Mary. Help us, O Angel, that God might judge us only according to this “minimum,” that we might be able to stand before Him. *Amen.*

**August 22** – *Prayer:* Lord, an Eternity does not suffice for our thanks, that You, Father, sent us the Word, Your Son, as Redeemer, that You, Holy Spirit, through Mary, Your Spouse, let us say the right Word as answer, that is pleasing and of value to the Father, to the Son, and to

You in the same manner: Ecce ancilla Domini, Fiat mihi secundum verbum tuum.” Amen.

- *Prayer:* O Angel, lay your measure on our small, weak heart, as if it were the least of all created things, and take the love that you find there into your measure and on to God. Merciful Angel with your small seed, be our salvation. *Amen.*

**August 23** – *Prayer:* Great and Holy Angel, what you accomplish is Love, for the Love of God commands you to make Bread out of seed. Do not spare us, we beg you. Let us become like our Lord Jesus Christ, and grant us the Grace to make all things right before God. *Amen.*

**August 24** – *Prayer:* O Angel of God, extend Your Mantle over the great gulf between the Holy Church and these who come from so far away, that they may not be overtaken and conquered by the infernal powers, before they have reached the saving gate of the Holy Church with the water of Holy Baptism. *Amen.*

**August 25** – *Prayer:* Lord and God, when Your Incomprehensibility breaks in upon us and the light of day grows dark, give us eagle-souls and fire-souls, that we might clearly know the way to You, and the hand of the Angel might protect us from stumbling and falling into despair. *Amen.*

**August 26** – *Prayer:* Holy Angel with the carpenter’s square in your hands, orient everything in my heart to the Measure and the Order of God, and be the carpenter of my soul, that the throne for my Lord and God, although tiny, might carry your measure. *Amen.*

Throne of Your Wisdom. Through her, let us behold the Heaven of Your Bliss. *Amen.*

**August 29** – *Prayer:* Holy Angel of God, take the evil of our sinfulness and weakness at the root and knock, burn, and cut it away; then lay the child in our arms, that the love and Grace of God may be renewed and grow. *Amen.*

**August 30** – *Prayer:* Great Holy Angel, let us receive your help in the battle of these days, in order that we conquer in these hellish attacks, and not be conquered, in order that you can shelter us forever under the protective Mantle of your Queen. *Amen.*

**August 31** – *Prayer:* Great and Holy Angel, take our heart into the symmetrical wash of the waves of Mary's Love, that it might be led to God in the river of this Love. *Amen.*

## SEPTEMBER

**September 1** - *Prayer:* Great and Holy Angel, form us the way that God wants us to be, for it is not important for us to become what we think we must become in life. **November 2 - Prayer:** O God, let us bless and praise you with all your Angels and Saints; let Your Holy Angels take our small light into their own great Light, that our love may burn before You like a torch. Let us become ashes before the world and Bread before You, You our Lord and God! *Amen.*

**November 3 - Prayer:** Gentle, patient, and sharp-eyed Servant of God, make us also keen of hearing and sharp-eyed, in order that we may understand the need of souls and be able to assuage it, so that they may be imbedded in the remedies of the Holy Church and thereby in the full Love of God. *Amen.*

**November 8 - Prayer:** Lord, let us remain in Your Grace and, like a new people of Israel, pray: “From the morning watch till night Israel waits for the Lord, for with the Lord there is steadfast Love, and with Him is plenteous Redemption. And He will Redeem Israel from all his sins.” *Amen.*

**November 9 - Prayer:** Holy Angel of the Day of Judgment, the Angels with the Trumpets will roar over the earth from your raised hand, waking and transforming all things. Let us not only Rise, but also be transformed into the one transfigured Mystical Body of Jesus Christ, which the Lord will acknowledge as His possession. *Amen.*

**November 10 - Prayer:** Lord and God! How often we ourselves are rolling stone after stone before our soul to hide from You and Your demanding love, because we cannot bear Your Light and our own little light is more precious and obedient to us. Have Mercy on us and send Your Angel, that he may roll away stones and rubble, and we, who are like the living dead, may hear Your Merciful Word: “Come out!” *Amen.*

**November 11 - Prayer:** Heavenly Father, Your Love created the laws for us that we may have a mainstay against the pressing demonic enticements—as if everything were free, as if we were Gods. But through Your laws, we are sheltered and can approach You in peace, love, and security. *Amen.*

**November 14 - Prayer:** You great and Holy Angel, let us not only occasionally remember our sins and only speak a lip-prayer of repentance; let a deep contrition wound our hearts and let us be atoners and penitents, that we may strike the merciful Heart of God like a Sword, and through this opening, which we have struck with our Sword of contrition, be able to enter into the Heart of the Lord. *Amen.*

**November 15 - Prayer:** Holy Angel, give us the desire to be allowed to know God more and more, that we may be able to love Him more and more. Speak your “Open up!” to our sleeping spirit, that we may grow vigilant and willing, and be able to hurry out to meet the Lord when He comes, whenever that may be. *Amen.*

**November 16 - Prayer:** Holy Angel, in the edge of your Sword, and in the vertical beam of the Cross, you carry the measure for the activity of love; in the narrow transom, you carry the passivity of love. O Angel, let me be placed by you where the measure of God’s Love wants me to be; let me attain the maximum of the Love of God. *Amen.*

**November 17 - Prayer:** Holy Angel, you who carry the Will of God, make us love this holiest Will, even when it means carrying the Cross. Let us live, love, suffer, and die in this Will, and through it, one day pass into the Glory of God. *Amen.*

**November 18 - Prayer:** Great Holy Angel of God’s Justice, strengthen us in the battle against the enemies of the Holy Church,

**November 27 - Prayer:** Holy Angel of trust, hold our hand firmly in the darkneses and wanderings of our life! Hardly has a light of hope somewhere appeared for us here in the world, hope of improvement of our situation and that of our beloved ones—when the Devil storms in and destroys everything. This shows us only too clearly the transience of all things earthly and that we have no last home on this earth. Therefore, our eyes look all the more towards Eternity. You, kind Angel, help us to never again lose sight of the goal of the Father's House in Heaven. Lay the Trust of Mary in Bethlehem, in Cana and on Golgotha into our hearts, for then we can endure every assault and in Trust, reach the Lord with Mary. *Amen.*

**November 28 - Prayer:** Angel of the last salvation through the Mercy of God, let none of us be lost; let us hope in your Help and always be ready. *Amen.*

**November 29 - Prayer:** O Gate of our Eternal Home, send us your Angels that we may become children before God, overcoming all the attacks of the enemy and thus passing into the Peace and the Holiness of God. *Amen.*

**November 30 - Prayer:** Lord and God, in Your mysterious Wisdom and endless Love, You have appointed the pure, the Angels, the children and the men who are hidden within Your Heart in purity and childhood, as obstacles and combatants against the powers of darkness. And between these two, Angel and child, You have placed Your priests as our defense on earth; in Your Name and under the direction of the Queen of Heaven and earth, they shall be help and salvation for us on our way to You. Accept our thanks, benevolent Lord, accept our thanks for all Eternity. *Amen.*

**December 5 - Prayer:** Lord and God, You do not make covenants with complicated persons, but You close Yourself to them, for You are Simplicity itself. Our soul does not need to be a glasshouse full of rare flowers, but only brown, pure soil over which you can go and make furrows with the Sword of Your Will, so that the seed of Your Word and Your Love can grow at the right time and in the right way. Come, Holy Angel, I will hold still, so that the Will of God can be done to me. *Amen.*

**December 6 - Prayer:** Lord, let us never forget that serving Mercy for Your sake is capable of carrying a world! Give us the Grace to serve with joy and to see You in every one of our fellow men, as child or as belabored, or as the Man of Sorrows chained by the sins of man. **December 7 - Prayer:** Holy Angel, teach us the science of the Cross that stands above all the science of the world. **December 8 - Prayer:** O Mary, you are given to us by God as the Immaculate, the Mother of the Savior! On a cloud of Angels you soar over all of creation. May you be the Conqueress over all open and secret diabolism, over all time and affliction, and over our weak and helpless hearts. *Amen.*

**December 11 - Prayer:** You Great Angel, you carry God's press full of Power. Let us once be found justified when the Lord requires the division of men into those who are to hear His Word of Judgment, "Depart!" and those who are to hear His Word of Love, "Come!" *Amen.*

**December 14 - Prayer:** Holy Angel of God, we never want to be among those of whom St. John wrote: “and they did not repent.” We shall repent to our Lord and our salvation every day and every hour, for we wish to stand at that Hand of God which will signify for us: “Come!” *Amen.*

**December 15 - Prayer:** Holy Angel over all water, mediate us the water of Eternal Life which flows for us out of the Blood of Jesus Christ in Holy Baptism, in the Holy Sacrament of Penance, at every Holy Sacrifice of the Mass and over every deed of love performed with a pure heart. Accept from us humans the tears of contrition over our guilt, that we may be seized and purified by Grace, and once be able to enter into Eternal Glory. *Amen.*

**December 16 - Prayer:** Lord and God, You Who have placed man and Angel in so wonderful an order in Your service; let Your Angels obtain for us the strength to keep Your Ways on earth ever straight and even in our hearts, that we may never let You fall into the company of the unholy. *Amen.*

**December 17 - Prayer:** Lord, You have given us Your Angels as fellow servants and brothers; You have given us Your own Mother as our Mother. Indeed, You have given us Your very Self as Food. Let us, O Lord, with the help of the Holy Angel of Yours grow and become in such a way, that we may never disgrace or offend You, our Heavenly Mother, or the Holy Angels with our kind of love; but rather may we become with Your Will, to Your honor, and in Your Love as You would have us. *Amen.*

**December 18 - Prayer:** Lord, You Who Pursue us up to the final decision in Judgment with Your Angels and all Your Grace, Your Love, and Your Mercy, grant us that we may always recognize this

**December 22** - *Prayer:* Holy Angel of the voice of one crying in the wilderness, give also my word the power to awaken people and show them the right Way, so that they too may find the Lord. *Amen.*

- *Prayer:* You Delicate, Radiant Angel, would you thank the Lord our God in our name for all the wonderful Divine Love, which we encounter at every step on our way; would you make us recognize the reality of this Love, that we may learn the Grace of thanksgiving, and to thank Him Forevermore. *Amen.*

**December 23** - *Prayer:* Lord, I pray You, do not be too severe with us in Your Judgment, and look upon Mary, our Mother; She prays for us miserable sinners. We shall no more pay attention to the superficial things in these days in a "childish" manner; we shall come rather like a "child" to our Lord in the manger and forget everything, only to remain with Him. *Amen.*

- *Prayer:* Holy Angel of Clarity, make our bodies and our souls into clear mirrors for our Blessed Lady. *Amen.*

**December 24** - *Prayer:* Holy Angel, let the Eye of God Shine upon us and His Hand ever be Over us; in the depths of creation, let us too become thrones of God. *Amen.*

- *Prayer:* Sing with us, you Hosts of Angels, that unto us has come salvation, Christ, the Lord, the Savior. *Amen.*

**December 25** - *Prayer:* Holy, Strong, Immortal God, let us fold our hands in petition and be small, just as small as the Child in Bethlehem, for the fullness of Your Power, as hints of it are revealed to us in the Angel of Life, kills us. Let us be mere shepherds, poor and small, children before You, that Your Paternal Gentleness may Help and Guide us. *Amen.*

- *Prayer:* We praise You, O God, we glorify You. To obtain the Redemption of mankind, You did not disdain the Virgin's Womb. Heaven and earth are full of Your Glory. *Holy, Holy, Holy, Lord! Amen.*

- *Prayer:* Little Child in the manger, we greet You. Let us be Your throne, we who are poor and lowly, but have for you the purest love. *Amen.*

**December 26** - *Prayer:* Holy Angel of Promptitude, keep our oil-lamps ever Burning, and awaken us, that at your hand, we may go forth to greet the Lord. *Amen.*

- *Prayer:* Holy, Mighty, Immortal God, Mark our foreheads also with Your Sign, that we may remain Your Possession Forever. *Amen.*

**December 27** - *Prayer:* O Lord Jesus Christ, You Who have given us the Word of the Holy Gospel; let this Word be for us a Staff with which we may reach You, the Father and the Spirit, and praise You Forever. *Amen.*

- *Prayer:* Holy Angel, behold my poverty and weakness! Take the Omnipotence of God in your creative hands and form out of me what

God expects from me and where I can give to Him the greatest glory possible. *Amen.*

**December 28 - Prayer:** Lord, You Who in that fateful hour of Your Incarnation did not come to the rich, comfortably established and clever city-men of business, but instead to oxen and asses in the stable, take my poor heart and make it into Your manger, for Mary, my Mother, is spreading the white linen of Her intercession over me. Come, Lord Jesus, Come! *Amen.*

- *Prayer:* Lord, my God, do not abandon us to the infernal oppressors and their accomplices on earth; rather lead us in the Protection of Your Angels through the waves of these times, as You once led Your people through the Sea in that Angelic pillar of fire. Let us also come to the goal we so long for, which is You, our Lord and God! *Amen.*

**December 29 - Prayer:** Lord, how little have we esteemed the precious gift of purity and how carelessly have we handled it. Take the broken pieces in our hands and renew everything through Your Precious Blood. Take our tears of contrition, dearest Mother, and you, Holy Angel, our good will, and help us make good through Penance what we are lacking in purity. *Amen.*

**December 30 - Prayer:** Holy Angel, you Great and Holy Bearer of the Fear of God, teach us to understand that Fear of God is not a dread of God, but a Gift of the Holy Spirit, the Comforter. Teach us to Fear God in the right measure and with the right Love. *Amen.*

**December 31 - Prayer:** Lord Jesus Christ, You came to us as a poor, shivering Infant, to save us from the disgrace of our sin and need. As Judge of the World You will one day come to the earth again, with Your Holy Angels. Lord, we beg You, let us stand in the Protection of those You have sent us to Seal Your Communities against the final dreadful assault of hell. Let us be Sealed, so that in Your Communities we may await You in Joy. *Amen.*

***From the Writings of***  
***The Servant of God Luisa Piccarreta***  
***The Little Daughter of the Divine Will***

**From “*Biography Luisa Piccarreta – Childhood Memories*” by Padre Bucci**

**Padre Bucci:** "But her (Luisa’s) writings can’t reveal everything about Luisa’s life, because it was far more complex."

"That’s true" **Padre Bucci’s Aunt Rosaria** answered. "I could tell of many things that no one knows."

**Padre Bucci:** "So why do you insistently refuse to speak?"

**Aunt Rosaria:** "If Luisa had wished them to be known she would have written them down, or the Church would have ordered her to write them; it is clear that certain phenomena which occurred, which I and others witnessed, do not serve for the sanctification of souls. The Lord permitted to be known all that is of use to the Church and to souls, the rest serves no purpose. In speaking of these things I feel as if I were profaning the intimacy that was built up between God and Luisa, human beings would not understand. The message bequeathed by Luisa exceeds her very person. Luisa wanted the Lord alone to have all the honor and glory, and she was to disappear into nothingness; this is why she loved solitude and silence, and showed great distress when she noticed that she was the object of people's veneration, for she considered herself only a poor sick person, in need of everything. I and others knew very well that Luisa had no need of anything, and that we had to be the custodians of her mystery. How often in the morning did I find Luisa all tidy and the altar already prepared for Holy Mass with the candles lit."

**Padre Bucci:** "And how did this happen, if Luisa never set foot out of bed for about sixty years? Are you sure of what you say?"

**Aunt Rosaria** "Absolutely certain! Because I was the only one who entered her room."

**Padre Bucci:** "Did you never wonder what the explanation was?"

**Aunt Rosaria** "I thought that *Angels* served her, especially her *Guardian Angel*, to whom she was deeply devoted. Her room was often found full of Fragrance."

**V1** - Most Holy Virgin, lovable Mother, come to my aid, obtain for me from your sweet Jesus and mine, grace and strength in order to do this obedience. Saint Joseph, my dear protector, assist me in this circumstance of mine. *Archangel Saint Michael, defend me from the infernal enemy, who puts so many obstacles in my mind to make me fail this obedience. Archangel Saint Rafael and you, my guardian Angel, come to assist me and accompany me, and to direct my hand, that I may write nothing but the truth.*

**V1** - Now, while He was crowning my forehead, Jesus told me: “Most sweet spouse, I place this crown upon you so that nothing may be missing in order to make you worthy of being my spouse; but then, after our wedding is finished, I will take it with Me to Heaven, to keep it for you at the moment of your death.” Finally, He took a veil and covered me completely with it, from head to foot; and He left me in that way. Ah! it seemed to me that there was a great meaning in that veil, because the demons, in seeing me all covered with that veil, were so frightened and had such fear of me, that they fled, terrified. *The very Angels were around me with such veneration, that I myself was confused and all full of blushing.*

On the morning of the aforementioned day, Jesus made Himself seen again all affable, sweet and majestic, together with His Most Holy Mother and Saint Catherine. *First, the Angels sang a hymn, while Saint Catherine assisted me, Mama took my hand, and Jesus put the ring on my finger.* Then, we embraced and He kissed me, and so did Mama also. Then we had a conversation, all of love – Jesus told me of the great love He had for me, and I also told Him of the love I had for Him. The Most Holy Virgin made me comprehend the great grace I had received, and the correspondence with which I was to correspond to the love of Jesus.

**V1** - While Jesus was saying this, that cross which I had seen the other times made itself present before me. I took it and I laid myself on it. As I was in this way, the Heavens opened and Saint John the Evangelist came down, carrying the cross that Jesus had indicated to me. *The Queen Mother and many Angels, when they arrived near me, lifted me from that cross and placed me over the one which they had brought me, which was much larger. Then, an Angel took the cross I had before and took it to Heaven with him.* After this, with His own hand, Jesus began to nail me to that cross; Queen Mama assisted me, *while the Angels and Saint John were handing the nails.* My sweet Jesus showed such contentment, such joy in crucifying me, that just to be able to give that contentment to Jesus, I would have suffered not only the cross, but yet more pains. Ah! it seemed to me that Heaven was making new feast for me, in seeing the

contentment of Jesus. Many souls were freed from Purgatory and took flight toward Heaven, and quite a few sinners were converted, because my Divine Spouse let everyone participate in the good of my sufferings. Who can tell, then, the intense pains I felt while being stretched so well over the cross, and pierced through by the nails in my hands and feet? But especially the feet – the atrocity of the pains was such that they cannot be described. When they finished crucifying me and I felt I was swimming in the sea of pains and sufferings, Queen Mama said to Jesus: “My Son, today is a day of grace - I want You to let her share in all of your pains. There is nothing left but to pierce her heart through with the lance, and to renew for her the crown of thorns.” So, Jesus Himself took the lance and pierced my heart through; *the Angels took a crown of thorns, well thickened, and handed it to the Most Holy Virgin* – and She Herself drove it into my head.

What a memorable day that was for me – of sufferings, yes, but of contentments; of unspeakable pains, but also of joy. It is enough to say that the intensity of the pains was such, that for that entire day Jesus did not move from my side, but remained close to me in order to sustain my nature, which was failing at the liveliness of the pains. *Those souls from Purgatory who had flown up to Heaven, descended together with the Angels and surrounded my bed, cheering me with their canticles, and thanking me affectionately because through my sufferings I had freed them from those pains.*

**V2 - May 6, 1899 - *This morning, Jesus hardly made Himself seen; I was feeling my mind so confused, that I almost could not understand the loss of Jesus, when I felt surrounded by many spirits – maybe they were Angels, I cannot tell with certainty. While I was in their midst, every now and then I would investigate - who knows, I might feel at least the breath of my beloved; but as much as I did, I found nothing that would reveal the presence of my loving Good. Then, all of a sudden, I felt a sweet breath coming from behind my shoulders, and immediately I cried out: ‘Jesus, my Lord!’***

***He answered: “Luisa, what do you want?”***

‘Jesus, my beautiful One, come, do not remain behind my shoulders for I cannot see You. I have been waiting for You and

investigating for the whole morning – who knows, I might see You amid these Angelic Spirits that surrounded my bed. But I could not, therefore I feel very tired, because I can find no rest without You. Come, for we will rest together.’ So Jesus placed Himself near me, and sustained my head.

Those spirits said: “Lord, how quickly she recognized You. Not even at your voice, but at your mere breath, immediately she called You.” Jesus answered them: “She knows Me, and I know her. She is so very dear to Me, like the pupil of my eyes.” And while He was saying this, I found myself in the eyes of Jesus. Who can say what I felt, being in those most pure eyes? It is impossible to manifest it with words. The very Angels remained astonished.

**V2 - August 15, 1899** - ...I said to Him: ‘My sole and only treasure, You didn’t even let me watch the feast of our Queen Mama, or listen to *the first canticles that the Angels and the Saints sang as She entered Paradise.*’

And Jesus: “*The first canticle that they sang to my Mama was the ‘Hail Mary’, because in the ‘Hail Mary’ there are the most beautiful praises, the greatest honors; and the joy which She felt in being made Mother of God is renewed. Therefore, let us recite it together to honor Her, and when you come to Paradise I will let you find it as if you had recited it together with the Angels and the Saints for the first time in Heaven.*”

So, we recited the first part of the ‘Hail Mary’ together. Oh, how tender and moving it was to hail our Most Holy Mama together with Her beloved Son! Each word He said carried an immense light, through which one could comprehend many things about the Most Holy Virgin. But who can say them all – especially because of my inability? Therefore I let them pass in silence.

**V3 - May 17, 1900** - I continue in the same state of privation and of abandonment. As I was outside of myself, I saw a flood of water mixed with hail, such that it seemed that several cities were flooded with considerable damage. While seeing this, I was in great consternation because I wanted to prevent that flood, but since I was alone - more so, since I did not have Jesus with me – I felt my poor

arms too weak to be able to do it. Then, to my surprise, I saw a virgin coming (it seemed to me that she was from America) and, she from one point, I from another, managed to prevent in great part the scourge that threatened us. After this, as we reunited, I saw that virgin with the insignia of the passion, and crowned with the crown of thorns, just as I was, and *a person who seemed to be an Angel, saying: “Oh, power of the victim souls! That which is not given to us Angels to do, they can do with their sufferings. Oh, if men knew the good that comes from them – because they are there for the public and the individual good – they would do nothing but implore God to multiply these souls upon earth.”* After this, having said to each other that each of us should commend the other to the Lord, we separated.

**V4 - March 8, 1901** - Continuing in my poor state, and with the silence of blessed Jesus, this morning, as I was oppressed more than ever, on coming, He told me: “My daughter, it was not my works, nor my preaching, nor the very power of my miracles that made Me recognized with clarity as the God I am, but when I was put on the Cross and lifted up on It as though on my own throne – then was I recognized as God. So, the Cross alone revealed Me to the world and to the whole of hell for Who I really was. All were shaken and recognized their Creator. Therefore, it is the Cross that reveals God to the soul, and makes known whether the soul is truly of God. It can be said that the Cross uncovers all the intimate parts of the soul and reveals to God and to men who she is.”

Then He added: *“Upon two crosses do I consume souls – one is of pain, the other is of love. And just as in Heaven all nine choirs of Angels love Me, though each one has its distinct office – as for example, the special office of the Seraphim is love and their choir is positioned more in the front in order to receive the reverberations of my love; so much so, that my love and theirs, darting through each other, correspond continuously –* in the same way, I give to souls on earth their distinct offices: some I render martyrs of pain, and some of love, as both of them are skillful masters in sacrificing souls and in rendering them worthy of my satisfactions.”

**V4 - October 2, 1901** - This morning my adorable Jesus came and transported me outside of myself, in the midst of the peoples. Who can tell the evils - the horrors that could be seen? Then, all afflicted, He told me: “My daughter, what a stench emanates from the earth! It was supposed to be one with Heaven, and since in Heaven they do nothing but love Me, praise Me and thank Me, the echo of Heaven was to absorb the earth and form one only; but the earth has rendered itself unbearable. Therefore come, and unite yourself with Heaven, and in the name of all come to give Me a satisfaction for them.” ***In one instant I found myself amidst Angels and Saints. I am unable to say how, but I felt an infusion in me of what the Angels and Saints were singing and saying; and I, like them, did my part in the name of the whole earth.*** After this, all content, my sweet Jesus said, addressing everyone: “Behold an Angelic note from the earth! How satisfied I feel!” And while saying this, almost to repay me, He took me in His arms, He kissed me and kissed me over and over again, showing me to the whole Celestial Court as an object of His dearest satisfactions. ***On seeing this, the Angels said: “Lord, we pray You, show to the peoples what You have operated in this soul with a prodigious sign of your omnipotence, for your glory and for the good of souls. No longer keep the treasures poured in her hidden, so that, as they themselves would see and touch your omnipotence in another creature, this might be cause of emendation for those who are evil, and of greater spur for those who want to be good.”***

On hearing this, I felt myself caught by a fear, and annihilating myself completely, to the point that I saw myself like a tiny little fish, I threw myself into the Heart of Jesus, saying: ‘Lord, I want nothing but You and to be hidden in You – this is what I have always asked of You, and this is what I pray You to confirm in me.’ Having said this, I enclosed myself in the interior of Jesus, as though swimming in the most extensive seas of the interior of God. Then Jesus said to all: “Have you heard that? She wants nothing but Me and to be hidden in Me; this is her greatest contentment. And I, on seeing an intention so pure, feel more drawn to her; and seeing her displeasure if I were to show my work to the peoples with a prodigious sign, so as not to sadden her, will not concede what You have asked Me for.” It seemed that the Angels were insisting, but I did not pay attention to

anyone any more; I did nothing but swim in God to comprehend the Divine interior. But, no - I seemed to be like a little child who wants to clasp in his little hand an object of immeasurable magnitude, such that, as he grabs it, it escapes from him, and he can barely manage to touch it. So, he is unable to tell either how much it weighs, or how large that object is. Or like another child who, not knowing all the depth of studies, says with yearning that he must learn everything in a short time, but he can barely manage to learn the first letters of the alphabet. In the same way, the creature can say nothing but this: "I have touched It, It is beautiful, It is great, there is no good It does not possess. But, how beautiful is It? How much greatness does It contain? How many goods does It possess? This I am unable to tell." That is, of God she can tell the first letters of the alphabet, leaving the whole depth of studies behind.

*So, even in Heaven, my dearest brothers, Angels and Saints, being creatures, do not have the capacity of comprehending their Creator in everything. They are like many containers filled with God, which, if one wants to fill them more, overflow outside. I believe I am speaking much nonsense, therefore I stop here.*

**V4 - September 5, 1902** - I continued to feel ill, and the confessor continued to be resolute – even more, to get upset because I was not obeying him with regard to not dying, and to praying the Lord to make my suffering cease. *On the other hand, I felt incited by blessed Jesus, by the Saints and by the Angels to go with them, and I would find myself now with Jesus, now with the celestial citizens.* In this state I felt tortured, not knowing, myself, what to do; however, I was calm, fearing that if He should take me, I might not be ready to go speedily with Him, so I abandoned myself completely in His hands. Now, while I was in this position, I saw the confessor and others praying that I would not be allowed to die; and Jesus told me: "My daughter, I feel I am under a violence – don't you see how they do not want Me to take you?" And I: 'I too feel I am under a violence - truly they would deserve a penalty for putting a poor creature in this torture.' And Jesus: "What penalty do you want Me to give them?" And I, not knowing what to say before that inexhaustible fount of charity, said: 'My sweet Lord, since sanctity brings sacrifice with

itself, make them saints, so that, if nothing else, they will obtain their intent of keeping me with them, and I will obtain the intent of seeing them saints, as they would have the patience to feel the pain which sanctity brings with itself.’ On hearing me, Jesus was all pleased, and He kissed me telling me: “*Brava* my beloved, you were able to choose the optimum, for their good and for my glory. So, for now we must surrender, and I reserve for Myself another occasion to take you quickly, giving them no time to do violence to us.” Then Jesus disappeared, and I found myself inside myself, with my suffering mitigated for the most part, and with new vigor, as if I was born again. But God alone knows the pain, the torment of my heart. I hope at least that He may want to accept the hardness of this sacrifice.

**V4 - November 22, 1902** - On November 22, as I kept feeling ill again, blessed Jesus came and told me: “My beloved, do you want to come?” And I: ‘Yes, don’t leave me on this earth any longer.’ And He: “Yes, I want to content you once and for all.” As He was saying this, I felt my stomach and my throat close, in such a way that nothing could enter anymore; I could barely pull in a breath, feeling suffocated. *Then I saw that Blessed Jesus called the Angels, and said to them: “Now that the victim is coming, suspend the fortresses, so that the peoples may do what they want.”* And I: ‘Lord, who are they?’ And He: “*They are the Angels that keep the cities. As long as the cities are assisted by the fortress of divine protection communicated to the Angels, they can do nothing; but once this protection is removed due to the grave sins they commit, and they are left on their own, they can make revolution and any sort of evil.*”

**V5 - October 7, 1903** - I had asked the confessor to leave me in the Will of Our Lord, withdrawing the obedience that, whether He wanted or not, I should continue to remain in this state of victim. At first he did not want it, but then he consented, as long as I would assume the responsibility of answering before Jesus Christ for what could happen in the world; and he said that I should think about it first, and then answer him. I wanted to tell him that I did not want to oppose the Divine Will; only, if the Lord wants it, I want it; if He does not want it, I do not want it – so, why this responsibility? And he: “Think

about it first, and tomorrow you will answer.’ So, as I was thinking about it in my interior, He told me: “Justice wants it, Love does not.”

Then, finding myself in my usual state, I saw Him for just a little, and He told me: “The *Angels, whether they obtain something or not, always do their office; they do not withdraw from the work entrusted to them by God, of the custody of souls. Even if they see that, almost in spite of their continuous cares, diligences, industries and assistances, souls are miserably lost, they are always there, at their places. Nor do they give greater or lesser glory to God if they obtain or do not obtain, because their will is always stable in carrying out the work entrusted to them. The victim souls are human angels who must repair, impetrate, protect humanity, and whether they obtain or do not obtain, they must not cease their work, unless they were assured about it from on high.*”

**V6 – August 7, 1904** - Being in my usual state, I found myself surrounded by Angels and Saints who told me: "It is necessary that you suffer more for the events that are about to happen in the Church. If they are stayed and take place at a later time, they will be milder and less offensive to God.

**V11 - October 13, 1916 (one year prior to Fatima)** - I was doing the Hours of the Passion, and blessed Jesus told me: “My daughter, in the course of my mortal Life, thousands and thousands of Angels were the cortege of my Humanity, gathering everything I did – my steps, my works, my words, and even my sighs, my pains, the drops of my Blood – in sum, everything. They were the Angels in charge of my custody, and of paying Me honor; obedient to my every wish, they would rise to and descend from Heaven, to bring to the Father what I was doing. Now these Angels have a special office, and as the soul remembers my Life, my Passion, my Blood, my wounds, my prayers, they come around this soul and gather her words, her prayers, her acts of compassion for Me, her tears and her offerings; they unite them to Mine, and they bring them before my Majesty to renew for Me the glory of my own Life. The delight of the Angels is so great that, reverent, they listen to what the soul says, and pray together with her. *So, with what attention and respect must the soul do these*

*Hours, thinking that the Angels hang upon her lips to repeat after her what she says.”*

Then He added: “After the so many bitternesses that creatures give Me, these Hours are sweet little sips that souls give Me; but for the many bitter sips I receive, the sweet ones are too few. ***Therefore, more diffusion, more diffusion!***”

**V14 - April 25, 1922** - Continuing in my usual state, I felt all immersed in the Divine Volition, and my sweet Jesus told me: “My daughter, just as the Sun does not leave the plant, but caresses it with its light, fecundates it with its heat until it produces fruits and flowers; and then, jealous, it makes them mature, it keeps them with its light, and only then does it leave the fruit when the farmer picks it to make of it his food, the same for the acts done in my Will: ***my Love, my jealousy toward them is such that Grace caresses them, my Love conceives them, fecundates them and matures them. I place thousands of Angels as custodians of one single act done in my Will.*** In fact, since these acts done in my Will are seeds so that my Will may be done on earth as it is in Heaven, everyone is jealous of these acts. Their dew is my breath; their shadow is my Light. ***The Angels remain enraptured by them and, reverent, they adore them, because in these acts they see the Eternal Volition, which deserves all their adoration. Only then do they leave these acts, when I find souls who, picking them as divine fruits, make of them food for their own souls. Oh, fecundity and multiplicity of these acts! The creature herself who does them cannot count them.***”

**V15 - December 8, 1922** ... as soon as they all felt the dominion of this excelling Virgin, who, almost as their sister, never wanted to know her own will but only That of God, not only did they make feast, but felt honored to have their Queen, and thronged around Her to court Her and pay tribute to Her – the moon, by placing itself as footstool at her feet, the stars as crown, the sun as diadem, ***the Angels as servants, men as though in waiting... Everyone, everyone honored Her and paid to Her their obsequies.*** There is no honor and glory that cannot be given to our Will - whether It is acting in Us, Its own residence, or dwelling in the creature.

But do you know the first act of this noble Queen when, coming out of the maternal womb, She opened her eyes to the light of this low world? *As She was born, the Angels sang ditties to the Little Celestial Baby, and She remained enraptured; her beautiful soul left her little body, accompanied by throngs of Angels, and went around Heaven and earth, gathering all the Love that God had spread through the whole of Creation, and penetrating into Heaven, She came to the foot of our Throne and offered Us the return of the love for all Creation, and pronounced her first 'Thank You' in the name of all....*

**V17 - September 17, 1924** - Afterwards, my sweet Jesus gathered all the books written by me on His Divine Will; he united them together, then He pressed them to His Heart, and with unspeakable tenderness, added: "I bless these writings from the heart. I bless every word; I bless the effects and the value they contain. These writings are part of Myself."

Then He called the Angels, who prostrated themselves, their faces to the ground, to pray. And since two Fathers, who were to see the writings, were there present, Jesus told the Angels to touch their foreheads to impress in them the Holy Spirit, so as to infuse in them the light in order to make them understand the truths and the good contained in these writings. The Angels did that, and Jesus, blessing us all, disappeared.

**VI7 - October 30, 1924** - Then, I was thinking to myself about what had passed through my mind – that is, it seemed to me as if I had my Angel near me, instead of Jesus; and I said to myself: ‘And why the Angel and not Jesus?’

*At that moment I felt Him move in my interior, saying to me: "My daughter, do you want to know why the Angels are such? Because they maintained themselves beautiful and pure, just as they came out of my hands; because they have always remained still in that first act in which they were created. Therefore, being in that prime act of their existence, they remain in that single Act of my Will, which, not knowing succession of acts, does not change, nor decrease or increase, and contains within Itself all possible*

*imaginable goods. And the Angels, maintaining themselves in that single Act of my Will through which I delivered them to the light, remain immutable, beautiful and pure. They have lost nothing of their priMary existence, and all their happiness is in willingly maintaining themselves in that single Act of my Will. They find everything in the circuit of my Will; nor do they want, in order to be happy, anything other than what my Will administers to them.*

*But do you know why there are different choirs of Angels, one superior to the other? There are some which are closer to my Throne - do you know why? Because my Will manifested Itself in Its Act - to some with one single extension of knowledges and qualities, to some with two, to some with three, to some with four; and so on, up to nine choirs. And in each additional thing of the Act which my Will manifested, some became superior to others, and the first ones, more than the others, became able and more worthy to be close to my Throne. Therefore, the more my Will manifests Itself in them, and they remain in It, the more they are raised, embellished, made happy and superior to others. See, then, how everything is in my Will. And from the ability of the Angels to maintain themselves, without ever leaving, in that same Will from which they came, and from the greater or lesser knowledge of the divine science of my Supreme Will, come the different Choirs of Angels, their distinct beauties, the different offices, and the whole celestial Hierarchy.*

If you knew what it means to have a greater knowledge of my Will, to do one more act in It, to maintain oneself and to act in that Will of Mine which is known, the level at which the creature is constituted, and the office, the beauty, the superiority of each creature – oh, how much more would you appreciate the different knowledges which I manifested to you about my Will! *One more knowledge about my Will raises the soul to such sublime height, that the very Angels remain stupefied and enraptured, and they profess Me, incessantly: 'Holy, Holy, Holy'.*

**V18 - August 15, 1925 - ...**Therefore, the true cause of this feast is the Eternal Will operating and fulfilled in my Celestial Mama. It operated such prodigies in Her as to astonish Heaven and earth, chain the Eternal One with indissoluble bonds of love, and enrapture the

Word, even from Her womb. *The very Angels, enraptured, repeated among themselves: "From where comes so much glory, so much honor, such greatness and prodigies never seen before - in this excelling Creature? Yet, she is coming from the exile!" Astonished, they recognized the Will of their Creator as life operating in Her; and, trembling, they said: "Holy, Holy, Holy! Honor and glory to the Will of Our Sovereign Lord! And glory to Mary, trice Holy, She who let this Supreme Will operate!"*

**V19 - February 28, 1926** - I continued among my usual fears, and my always adorable Jesus, making Himself seen, all goodness told me: "My daughter, do not lose time, because every time you occupy yourself with yourself, you lose one Act in my Will; and if you knew what it means to lose one single Act in my Will...! You lose a Divine Act - that Act which embraces everything and everyone, and which contains all the goods which are in Heaven and on earth; more so, since my Will is a continuous act which never stops Its course, nor can It wait for you, when you stop with your fears. It is more convenient for you to follow It in Its continuous course, than for It to wait for you, when you place yourself on the way in order to follow It. And not only do you lose time, but having to appease you and to raise you from your fears in order to place you on the way of my Will, you force Me to deal with things which do not regard the Supreme Volition. *Your very Angel, who is near you, remains on an empty stomach, because every act you do in It, as you follow Its course, is one more unexpected beatitude which he enjoys being near you; and it is a redoubled Paradise of joys which you offer him, in such a way that he feels happy of his destiny of having you in his custody. And since the joys of Heaven are communal, your Angel offers the unexpected beatitude he has received from you - his redoubled Paradise, to the whole Celestial Court, as the fruit of the Divine Will of his protected one. All make feast and magnify and praise the Power, the Sanctity, the Immensity of my Will. Therefore, be attentive; in my Will one cannot lose time - there is much to do. It is convenient for you to follow the Act of a God, which is never interrupted.*"

**V20 - January 1, 1927** - See, when I came upon earth, I wanted to give many examples and similes about how I wanted the human will to end. *I wanted to be born at midnight, so as to break the night of the human will with the refulgent day of Mine. And even though at midnight the night continues and does not finish, it is yet the beginning of a new day; and my Angels, to honor my birth and to point out to everyone the day of my Will, from midnight on, enlivened the vault of the heavens with new stars and new suns, such as to turn the night into more than daylight. This was the homage that the Angels gave to my little Humanity, in which dwelled the full day of the sun of my Divine Will, and the call of the creature into the full day of It.*

**V21 - April 3, 1927** - ...Afterwards, I felt all immersed in the Eternal Fiat, and my beloved Jesus added: “My daughter, in my Will, all acts are done in the fullness of light, therefore they are acts filled with all goods. These acts are complete acts, in such a way that nothing must be missing; and they are so exuberant as to overflow for the good of all. See, as you were calling - in my Will - my Celestial Mama, the Angels and the Saints to love Me, I felt the love of my Mama, the love of the Angels, the love of all Heaven, being repeated in you. As you were calling the sun, the heavens, the stars, the sea, and all created things around Me in order to give Me the love and the glory of my works, I felt everything I did in creating the sun, the heavens, the stars, the sea, as well as all the love I released in the whole creation, being repeated in you. Therefore, the soul who lives in my Will is the repeater of my acts, and by bilocating them, she gives Me all that I have given to her. Oh, how your Jesus enjoys receiving from the littleness of the creature, the honors, the love and the glory of His own acts – which are full, complete and exuberant.”

**V21- May 18, 1927** - I was following the Divine Will, going around the whole creation; and while I was doing my acts, my sweet Jesus made Himself seen in my interior, gathering these acts on my lap, which were all made of light, one more refulgent than the other - one more beautiful than the other. *He called the Angels and gave them*

*knowledge of some of these acts, and they competed among themselves to receive them, carrying them in triumph up to Heaven.*

And Jesus, all goodness, told me: “My daughter, the value of the acts done in my Will is so great that the Angels consider themselves fortunate to receive them. They see the creative virtue in them; they hear the echo of the Divine Fiat in these acts, which, while being light, are Divine voices, and while being voices, are melodies, beauties, beatitudes, sanctity, Divine science. And since my Will is virtue of Heaven, the Angels yearn to bring the acts done in It into their celestial residence. Everything that is done in my Supreme Will cannot remain on earth; at most, they can be made at the bottom, but then my Will Itself, like a magnet, draws them back into their source, and delivers them into the Celestial Fatherland.”

**V23 – February 28, 1928** - I was thinking about the Holy Divine Volition, and a thousand thoughts crowded my poor mind. They seemed like many stronger lights that were arising, which then unified themselves within the same light of the eternal Sun of that Fiat which knows no setting. But who can say what I was thinking? I was thinking about the many knowledges spoken to me by Jesus on the Divine Will, and how each of them brings a Divine Life into the soul, with the imprint of a rarity of beauty, of happiness - but distinct from one another, which It places in common with one who has the good of knowing It and of loving It. So, I thought to myself: ‘One knowledge more or one less – there will be great difference between one soul and another.’ So, I felt sorrow in remembering my late confessors, who had had so much interest in making me write what blessed Jesus would tell me on the Divine Will. I felt sorrow for venerable father Di Francia, who had made so many sacrifices in coming from far away, meeting expenses for the publication; and just when things were moving forward, Jesus brought him to Heaven with Himself. So, since these did not possess all that regards the Fiat, they will not possess all the lives and rarities of beauty and happiness which these knowledges contain.

But while my mind was wandering amidst many thoughts, such that if I wanted to tell them all I would be too long, my sweet Jesus stretched out His arms within my interior, and spreading light,

He told me: *“My daughter, just as I have the hierarchy of Angels, with nine distinct choirs, so will I have the hierarchy of the children of the Kingdom of my Divine Fiat. It will have Its nine choirs, and they will distinguish themselves from one another according to the varieties of beauties which they have acquired by knowing, some more, some less, the knowledges that pertain to my Fiat. Therefore, each additional knowledge about my Divine Volition is one new creation which It forms in creatures, of happiness and of unreachable beauty, because it is a divine life that runs within it, bringing within itself all the shades of the beauties of the One who manifests them, and all the keys and sounds of the joys and happinesses of Our Divine Being.*

**V25 - October 7, 1928** - My Jesus, Life of my poor heart, You who know in what bitternesses I find myself, come to my help! Overwhelm the little newborn of your Divine Volition into your flames, that You may give me, again, the strength to be able to begin another V, and your Divine Fiat may eclipse my miserable will, that it may have life no more, and your Divine Will may take over, and Itself may write, with the characters of Its light, that which You, my Love, want me to write. And so that I may make no mistake, act as my prompter; and only if You commit Yourself to accepting to be my word, thought and heartbeat, and to lead my hand with yours, can I make the sacrifice of returning to write what You want. My Jesus, I am here, near the Tabernacle of love. From that adored little door which I have the honor to gaze at, I feel your divine fibers, your Heart palpitating, emitting flames and rays of endless light at each heartbeat; and in those flames I hear your moans, your sighs, your incessant supplications and your repeated sobs, for You want to make your Will known, to give Its life to all; and I feel myself being consumed with You and repeating what You do. Therefore I pray You, while You gaze at me from within the Tabernacle, and I gaze at You from within my bed, to strengthen my weakness, that I may make the sacrifice of continuing to write.

Now, in order to be able to say what Jesus told me, I have to make a brief mention – that here in Corato a House has been founded, which was wanted and started by the venerable memory of father

canonical Annibale Maria di Francia, and which his children, faithful to the will of their founder, have executed and given the name of *House of the Divine Will*, as the venerable father wanted. And he wanted me to enter this House; and on the first day of its opening, by their goodness, his sons and daughter, the reverend mothers, came to take me and brought me into a room which is such that, as the door of this room is opened, I can see the Tabernacle, I can listen to Holy Mass, I am just under the gazes of my Jesus in the Sacrament. Oh! how happy I feel, that from now on, if Jesus wants me to continue to write, I will write always keeping one eye on the Tabernacle and the other on the paper I write on. Therefore, I pray You, my Love, to assist me and to give me the strength to make the sacrifice that You Yourself want.

So, as this House was about to be opened, one could see people, nuns, little girls - people coming and going, all in motion. I felt all impressed, and my sweet Jesus, moving in my interior, told me: “My daughter, this group of people whom you see all in motion for the opening of the House of my Divine Will is symbolic of that group of people when I wanted to be born in Bethlehem, and the shepherds were coming and going, to visit Me, a little Baby. This pointed out to all the certainty of my birth. In the same way, this group of people, all in motion, points out the rebirth of the Kingdom of my Divine Will. *Look at how all of Heaven echoes my birth, when the Angels, celebrating it, announced Me to the shepherds, and putting them in motion, made them keep coming to Me, and I recognized in them the first fruits of the Kingdom of my Redemption. So now, in this group of people, of little girls and nuns, I recognize the beginning of the Kingdom of my Divine Will. Oh! how my Heart exults and rejoices, and all of Heaven makes feast. Just as the Angels celebrated my birth, so do they celebrate the beginning of the rebirth of my Fiat in the midst of creatures. But, look at how my birth was more neglected, more poor – I had not even one priest near Me, but only poor shepherds. On the other hand, at the beginning of my Volition, there is not only a group of nuns and little girls from out of town, and a people rushing up to celebrate the opening, but there is an archbishop and priests representing my Church. This is symbol and announcement to all,*

*that the Kingdom of my Divine Volition will be formed with more magnificence, with greater pomp and splendor than the very Kingdom of my Redemption; and everyone, kings and princes, bishops and priests and peoples, will know the Kingdom of my Fiat and will possess It. Therefore, you too, celebrate this day in which my sighs and sacrifices, and yours, to make my Divine Will known, see the first dawn and hope for the Sun of my Divine Fiat to soon rise.”*

**V29 - April 16, 1931** - My life continues under the empire of the Eternal Fiat, which envelopes me, inside and outside of me, and makes me feel Its infinite weight; and I, like atom, remain enveloped by this infinity that has no limits, and as much as I love It and long for It, I feel vividly the pain of my human will, crushed and almost dying under the empire of a Divine Will, immense and eternal. My Jesus, help me, and give me strength in the painful state I find myself in. My poor heart bleeds and seeks a refuge in so many pains – You alone, my Jesus, can help me. O please! help me, do not abandon me.... *And while my poor soul was pouring itself out in sorrow, my sweet Jesus made Himself seen in my interior – crucified, with six Angels, three on the right and three on the left of His adorable Person. Each of these Angels held a crown in his hands, studded with most refulgent gems, in act of offering them to Our Lord.*

I remained surprised in seeing this, and my beloved Jesus told me: “Courage, my daughter – courage is of souls resolute to do good. They are imperturbable under any storm; and while they hear the roaring of the thunders and lightnings to the point of trembling, and remain under the pouring rain that pours over them, they use the water to be washed and come out more beautiful; and heedless of the storm, they are more than ever resolute and courageous in not moving from the good they have started. Discouragement is of irresolute souls, which never arrive at accomplishing a good. Courage sets the way, courage puts to flight any storm, courage is the bread of the strong, courage is the warlike one that knows how to win any battle. Therefore, good daughter, courage, do not fear. And besides, what do you fear? *I gave you six Angels for your custody; each of them has the task to guide you through the interminable ways of my*

*Eternal Volition, so that you may requite with your acts, with your love, what the Divine Will did by pronouncing six Fiats in Creation. So, each Angel is entrusted one Fiat and what came out of this Fiat, to call you to requite each of these Fiats, even with the sacrifice of your life. These Angels gather your acts and form with them a crown, and, prostrate, they offer it to the Divinity as requital for what Our Divine Will did, so that It may be known and form Its Kingdom upon earth. But this is not all; I Myself AM at the Head of these Angels, guiding you and watching over you in everything, and forming in you the very Acts and that Love which is needed so that you may have sufficient Love to be able to requite so many Great Works of Our Supreme Volition. Therefore, do not stop, you have much to do - you have to follow Me who never stops; you have to follow the Angels, because they want to fulfill their task entrusted to them; you have to fulfill your mission of daughter of the Divine Will.”*

**V30 - December 6, 1931** - “My daughter, how many things these veils hide of our divine qualities, but it is given to no one to break these veils if not to one who does and lives in our Volition. She alone is the fortunate creature who doesn’t see her God veiled but as he is in himself. Since we are not recognized (for) what we are in ourselves, they have ideas so base and perhaps also twisted of our Supreme Being, and this is because not having our Will in themselves they don’t feel in themselves the life of He who has created them; they touch our veils, but not that which there is inside, and therefore they feel our power as oppressive, our light as eclipsing as in the act of removing them from us and putting them at a distance. They feel our veiled sanctity that makes them ashamed, and disheartened they live immersed in their passions, but the guilt is all theirs. Because there is a sentence said by us in the terrestrial paradise: ‘Here she doesn’t enter. This place is only for one who does and lives in our Will’, and hence the first creatures were put out, we put an Angel at watch so that he might prevent them from the entrance. Our Will is paradise of creatures, terrestrial in earth and Celestial in heaven, and one can say that an Angel is put at watch over it; to one who doesn’t want to do and doesn’t want to live in his arms and have common life

in his residence, she would be an intruder if she would do this, but she cannot even do it, because our veils make themselves so very thick that she would not find the way in order to enter there. And as one Angel forbids them the entry, thus another Angel guides and gives the hand to one who wants to live of our Will.

**V34 - March 1, 1926** - I am beneath the press of the privation of my sweet Jesus, I feel pressed, undone, as if my life might want to finish, but the Divine Volition triumphs over my little being rising in my soul, and calls me to make my day in his Will, it seems to me that while I feel myself die without dying, He forms his victory and it is his triumph, and his life re-arises over my dying will more beautiful, all full of Majesty and double love. Oh! Divine Will, how much you love me, you make me feel death in order to centralize your life all the more in me.

Whence I continued my day in his divine acts and arrived at the incarnation of the Word such love was felt, as to feel oneself burn, consumed in his Divine flames. And my Highest Good Jesus, as drowned in his flames of love said to me:

“My blessed daughter, my love was so much in incarnating myself in the bosom of my Celestial Mother that Heavens and earth could not contain it, the act of incarnating myself happened in one act of love so intense, so strong, so great, that it was more than enough to burn everything and everyone with love. You should know, before incarnating myself my Celestial Father looked in himself and in the enthusiasm of his love not being able to contain it seas of love went forth from himself in torrents, in this enthusiasm of love he looked at his Son, and I found myself in the same flames of love and I commanded myself that I might incarnate myself, I wanted this, and in an impetus of love, without my Father leaving, nor the Holy Spirit, the great portent of the incarnation happened. I remained with my Father, and at the same time descended in the bosom of my Mother. The three Divine persons we were inseparable, nor subject to separate ourselves. Therefore I can say: I remained in Heaven, and descended in earth, and the Father and the Holy Spirit, they descended with me in earth and they remained in Heaven. *Hence in this act so great our Divine Being overflowed so much in love, that the Heavens were*

*stupefied and the Angels surprised and mute, everyone wounded in our flames of love.* The incarnation was none other than an act of our Divine Will, what doesn't he know how to do and can do[?] everything; with his power and with his infinite love he arrives, even to work the prodigy not ever heard of, nor done, of making us remain in Heaven and descend in the prison of the Maternal bosom. Thus, our Will wanted thus it was done.

**V35 - December 25, 1937** - Jesus remained silent, and I continued to think about the birth of Little Baby Jesus. And He added: *“Little daughter of my Will, the feast of my birth was the feast - the beginning of the feast - of my Divine Will. As the Angels were singing, ‘Glory to God in the highest Heavens, and peace on earth to the men of good will,’ all Angels and the Creation assumed a festive mode and, while celebrating my birth, they celebrated the feast of my Divine Will.* In fact, with my birth, our Divinity received true glory unto the highest Heavens; and men will have the true peace, when they will recognize my Will, giving It dominion and allowing It to reign. Only then, they will feel my Will as good - will they feel the divine strength; only then, will Heaven and earth sing together: ‘Glory to God in the highest Heavens, and peace on earth to the men who will possess the Divine Will.’ All will abound in these men, and they will possess the true peace.”

### **Letter No. 9 - The “Fiat” will give you strength**

My good daughter,

*Here I am. As to nature, I feel compassion for your painful state; but as to the soul, you would be worthy of envy from the very Angels... You know, as many pains as you suffer, as many tears as you shed, so many are the Angels around you, gathering, full handed, the pearls which you form with your sufferings, and bringing them to Jesus as pledges of your love.* However, I beg you not to cover these pearls with the mud of your laments, or of not being perfectly resigned to the Most Holy Will of God. Therefore, be tranquil; let's hope that everything goes well for the soul and for the body.

Most affectionately yours,

Luisa

**Father Bernardino Giuseppe Bucci - Parish Priest Cappuccino  
Immaculate Church – Trinitapoli (Foggia)**

Divine Providence was leading this child along these mysterious paths, in such a way that Luisa knew no joy other than God and His Grace. In fact, one day the Lord will say to her: *“Listen, I went around the earth, over and over again; I looked at all creatures, one by one, in order to find the littlest of all. And among them all I found you, the littlest of all. I liked your littleness, and I chose you. I entrusted you to my Angels to guard you, not to make you great, but to preserve your littleness. Now I want to begin the great work of the fulfillment of my Will. You will not feel greater because of this; on the contrary, my Will shall make you smaller, and you will continue to be the little daughter of your Jesus - the little daughter of my Will”* (V12 – 3.23.1921).

One day, being assailed by the evil spirit, terrorized, Luisa turned to her Celestial Mama, who benignly spoke to her: *“Why do you fear? Your Angel is by your side, Jesus is in your heart, and your Celestial Mama keeps you under Her mantle. Why do you fear then? Who is stronger? Your guardian Angel, your Jesus, your Celestial Mama, or the infernal enemy? Therefore, do not run away, but stay, pray, and do not fear.”* At that instant everything disappeared; serenity invaded her, and nothing else happened to her.

**Fiat!**
