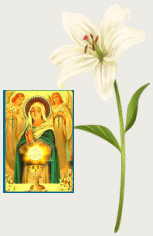
MYSTICAL MOTHERS OF PRIEST IN THE DIVINE WILL MISSION



Guidelines on how to set up a Mystical Mothers of Priest group in the Divine Will <u>without a priest</u>

1. Attend Holy Mass once a month and receive Holy Communion. If possible, receive the sacrament of penance a few days before or after the consecration.
2. Spend 15–20 minutes in quiet communion with Jesus, adoring, praising, and loving Him for the gift of this vocation.
3. Gather at a home or, if allowed, before the tabernacle or altar to read the Divine Will Consecration Prayer.
4. After a brief silent pause, read the consecration prayer for the Mystical Mothers of Priests together.
5. Meditate individually on the different parts of the MMP consecration.
6. The group leader may lead a prayer of her choice from the Mystical Mothers booklet.
7. Optional: Pray for the beatification of Luisa.
8. Gather at a home for tea. The setting should remain quiet to maintain the spiritual environment.
9. If possible, listen to the corresponding monthly talk from Fr. Mark.
